Comments/ Comentarios:

The Open House setting in May did not inform people of the pros & cons of different options. It also provides no structure and feeling that you know more than you did before the meeting.

Comments/ Comentarios:

- NEED PROOF OF TRAFFIC ANALYSIS
- NOT A LOT HAS BEEN ACCOMPLISHED SINCE THE LAST FOCUS GROUP
- WOULD WANT A STATION IF VIABLE, ALSO WANT TRAILS
- HATE REHASHING OLD IDEAS
- WHOEVER IS TALKING SHOULD STAND AT THE FRONT

let's go.

Loit Road currently carries 2RE traffic than Preston (789). Construction will be horrific for North Dallas, Richardson, Plano. Proposed stations in North Dallas are really not usable. Alternatives?
