I'm ready for the Cotton Belt!

I know it is early - Please be careful about the name of the last 2 stations. DFWIA - people know it as DFW

DFW North Station - is before the airport

Both of these names are confusing.

I SUPPORT THE CYPRESS WATERS STATION (100%).

THERE ARE LOTS OF COPPELL RESIDENCE WHO WOULD TAKE ADVANTAGE OF TRAVEL, BOTH EAST AND WEST.

Concern with Marsh Crossing - must be either below or above grade or traffic will be a disaster. If above-grade must build attractive barrier to protect Country Place neighborhood homes.

**Comments / Comentarios:**

Please protect the large hedge west of Marsh along the existing line. It is very important to the Country Place neighborhood. We also want a quiet zone on the crossing at Marsh Lane.

Please evaluate if there should be grade separations at Quorum Dr and Addison Rd in Addison.
