Dallas Area Rapid Transit (DART) Silver Line Project

Quarterly Community Meeting – City of Carrollton
Wednesday, November 11, 2020
Welcome!
We Will Begin Momentarily

Please submit all questions and comments via the chat room.

If you have called into this meeting and wish to submit questions or comments please email CottonBelt@DART.org.

If we do not respond to your question/comments tonight, it will be responded to within 30 days of receipt. Your question and answer will then be posted on www.DART.org/SilverLine

Thank You

COVID-19 Update

Due to the current pandemic, all public involvement sessions will take place via video conference.

DART urges you to follow the guidelines from the Centers for Disease Control and Prevention (CDC) to keep your family healthy and safe.

Stay up to date by attending public involvement sessions online, signing up for construction alerts, visiting DART.org/SilverLine or calling 214-749-2543.
How To Stay Informed

- Visit www.DART.org/SilverLine
- Email CottonBelt@DART.org
- Attend meetings virtually

Sign up for project alerts at www.DART.org/SilverLine

Questions and Answers

Please submit all questions and comments via the chat room. Questions will be reviewed by our Team and a response will be prepared for the end of the presentation.

If a more detailed response is required, it will be responded to within 30 days of receipt.

If you have called into this meeting and wish to submit questions or comments please email CottonBelt@DART.org.

Thank You
DART Silver Line Project Facts

- $1.266 Billion Design-Build Project
- 26 Mile alignment servicing the following cities/towns:
  - Addison
  - Carrollton
  - Coppell
  - Dallas
  - Grapevine
  - Plano
  - Richardson
- 10 Rail stations
- 4 Rail connections (Green, Orange, Red Light Rail, TEXRail)
- March 2023 Revenue Service
- The design-build status for Silver Line is 70% complete as of October 22, 2020
- The Silver Line vehicle design is 100% complete as of October 22, 2020
Design-Build Update
What is Design-Build?

Design–build alternative project delivery method is used in the construction industry. Design-build is a method of project delivery in which an entity (Archer Western Herzog, AWH), works under a single contract with the project owner (Dallas Area Rapid Transit, DART) to provide design and construction services.

- Design Builder – Archer Western Herzog (AWH)
- Owner – Dallas Area Rapid Transit (DART)

Sound Wall Mock-up Viewing Schedule

You are invited to participate in the DART Silver Line Betterments Sound Wall Mock-up Viewing in your city to see in person what the wall color and finish will look like in your neighborhood. The viewing will be available from Friday, November 20, 2020 – Friday, January 29, 2021.

The betterments sound wall color and finish for each neighborhood were voted on by residents and stakeholders through a robust and inclusive community engagement process. All Betterments Sound Wall Mock-up Viewing locations will provide the community an up-close look at the various wall color and finish samples. Attendees will see the Duroflon Absorptive Wall System that will be used on the rail-side of the alignment and the Precast Concrete Reflective Wall to be used on the neighborhood-side of the alignment.

To confirm wall color and finish for your neighborhood, please visit DART.org/SilverLine.

Viewing Location

The locations to view betterment wall mock-ups in your city are as follows:

City of Coppell
Coppell Town Center
255 Parmerwy Blvd.
Coppell, Texas 75019

City of Carrollton
Crosby Recreation Center
1610 E. Crosby Road
Carrollton, TX 75006

City of Dallas
Campbell Branch Recreational Center
16000 Park Hill Drive
Dallas, TX 75240

City of Plano
Pleasant Municipal Center
1501 K Avenue
Plano, TX 75074

City of Richardson
Richardson Data Center
411 W Arapaho Road, Suite 102
Richardson, TX 75080

For Additional Information, Please visit DART.org/SilverLine or contact DART Community Engagement at 214-749-2542.
DART Station
Art & Design Program
Art & Design Program
Downtown Carrollton Station

Station Facts
Platform Type: Side
Parking Spaces: 251 existing, 231 new
Bus Bays: 4
Bus Routes: 4

Projected Daily Ridership:
Opening Day: 800
2040: 1,970

Mode of Access:
Rail Transfer: 60%
Bus Transfer: 18%
Drive: 7%
Walk: 15%

Station Benefits
- DART Green Line connection
- Existing and future Transit-Oriented Development
- Potential regional rail transfer hub if DCTA extends south and/or Irving/Frisco Line is developed

Key Community Comments
- Supported by City of Carrollton
- Strong citizen support
- Interest in downtown Carrollton as multimodal transit hub
- Seen as compliment to existing and planned development

Quiet Zones
Sound Mitigation
Quiet Zones

- DART Silver Line crossings in residential areas are proposed to be quiet zones
- Quiet zone mitigations are independent of the sound wall mitigations
- Establishing quiet zones will require cooperative action among the municipalities along the Silver Line, the Federal Railroad Administration (FRA), the freight railroads and DART
- The type of protection will be determined during design of the intersection

Construction Safety

10 Construction Safety Tips

With construction about to begin on the Silver Line Project along the historic Cotton Belt Regional Rail Corridor, DART reminds everyone that construction areas can be very dangerous. Play it safe by following these 10 tips:

1. **STOP, LOOK AND LISTEN**
   - Phones, video games and other electronic devices can be distracting.

2. **REMOVE EARBUD OR TURN VOLUME DOWN**
   - Headphones can keep you from hearing approaching bulldozers, dump trucks and other construction vehicles.

3. **AVOID DANGERS**
   - Do not walk, ride, run, hang out or play in construction zones or work areas; as heavy machinery and debris pose dangers.

4. **OBEY SIGNALS**
   - Always obey all traffic signs and signals; never assume you have the right-of-way - and look both ways before crossing.

5. **USE CROSSWALKS**
   - Use sidewalks and cross only at designated crosswalks, as construction vehicles make sudden stops and wide turns.

6. **SEE AND BE SEEN**
   - Make eye contact with construction vehicles before crossing.

7. **WATCH OUT**
   - Observe all construction signs and warnings.

8. **KEEP AWAY**
   - Keep away from construction fencing and traffic cones - they’re there to protect you.

9. **BE ON THE LOOKOUT**
   - Watch out for falling objects, moving vehicles and other hazards.

10. **START TALKING**
    - Safety begins with you. Talk to your family.

Enrollment = 650
School Outreach Update – Carrollton ISD

- Communicate Bilingual (Spanish) construction updates and safety information directly with Newman Smith High School, Ted Polk Middle School, DeWitt Perry Middle School, Carrollton Elementary School, Country Place Elementary School, Jerry R. Junkins Elementary School (DISD) and CFBISD staff.

- Work with all 6 schools listed above, CFBISD, and City of Carrollton staff to help manage safe traffic flow along impacted streets and other rail crossings, especially for pickup and drop-off schedules for students and parents.

- Participate in school and community events with the 6 schools and CFBISD to promote transit safety and awareness campaigns.
School Outreach Update – Carrollton ISD

- Provide transit education material, resources, and programs to students, parents, and staff at the 6 schools and CFBISD through online curriculums, virtual presentations, and virtual tours of the DART System.

- Offer interactive and virtual Career Day Programs to the 6 schools and CFBISD students and teachers, focusing on Science, Tech, and Math (STEM) careers, educational background, and skills required for a career in public transportation.

- Work to ensure each school building has pertinent DART/AWH contact information.

- Establish proactive and conducive relationships with area school administrators to enhance communication flow.
