BLUE LINE EXTENSION

South Oak Cliff Line Section - 3

Community Meeting

February 18, 2016
Dawn Dorman
Community Engagement Representative
MEETING AGENDA

- Welcome
- DART Update
- SOC- 3
  - Summary of Last Quarter’s Activities
  - Look Ahead – Next Quarter’s Activities
- Questions/Comments
DART Service Changes

- New rail stations are opening in late 2016

- Bus route changes are proposed to reduce bus-rail duplication and to move passengers between the new stations and surrounding neighborhoods more efficiently

- No major impacts on bus frequencies, spans, and service coverage

- Exact implementation dates will be determined based upon timing of the Blue Line Extension (SOC3) and Dallas Streetcar projects
DART Service Changes

- **Pre-Hearing Public Meetings**
  - 6:30 p.m., Tuesday, February 23 at Highland Hills Branch Library
  - Noon, Saturday, March 5 at DART
  - Noon, Monday, March 7 at DART

- **Public Hearing**
  - 6:30 p.m., Tuesday, March 8 at DART Board Meeting

- **Changes include:**
  - Dallas Street Car to Bishop Arts
  - SOC-3 Expansion
  - D-Link Service to Oak Cliff
DART 2040 System Transit System Plan

DART is in the process of developing the 2040 Transit System Plan

- Several public meetings will be held in late March 2016 to:
  - Provide information on a draft 10-year bus service plan
  - Obtain input on longer range ideas for the 2040 plan

- Visit [www.DART.org/2040](http://www.DART.org/2040) where you can:
  - Learn more about the process
  - Sign up for email/text alerts when new information or meetings are posted
  - Email 2040Plan@DART.org to submit your ideas
Larry Bedrick
SOCA – Project Manager
