

DALLAS AREA RAPID TRANSIT
Annual Disclosure Statement (for the period ended September 30, 2014)

This Annual Disclosure Statement for the period ended September 30, 2014 replaces our 2014 Annual Disclosure Statement, dated February 25, 2014. This Annual Disclosure Statement has been posted on the Internet at our website, www.dart.org, and has been filed with the Municipal Securities Rulemaking Board and is available at www.emma.msrb.org. We intend to update this Annual Disclosure Statement after the first, second, and third quarters of our fiscal year and to replace it annually. We reserve the right to suspend or stop postings on the Internet and quarterly updates at any time. However, we will always provide the annual and periodic information called for under our undertaking in compliance with SEC Rule 15c2-12.

This Annual Disclosure Statement relates to the following securities that we have issued and intend to issue from time to time: Senior Lien Obligations, Senior Subordinate Lien Obligations, and other Bond Obligations (defined below), but does not replace the Supplemental Official Statement or Supplemental Disclosure Statement and Offering Memorandum prepared for a particular series of debt securities.

<p>You should carefully consider the information under the caption "INVESTMENT CONSIDERATIONS" herein.</p>
--

DART is a subregional transportation authority created pursuant to Chapter 452 of the Texas Transportation Code (the "Act"). Our boundaries include the corporate limits of 13 North Texas cities and towns, and our headquarters are located in Dallas, Texas. Under the Act, we are authorized to provide public transportation and complementary services within such cities and towns.

Our Board of Directors has adopted a "Master Debt Resolution" that authorizes the issuance and execution of various types of debt instruments (the "Obligations"). Obligations that are issued in the form of bonds, notes, or other securities (the "Bond Obligations") will be issued in multiple series, and each series will be classified as either "Senior Lien Obligations," "Senior Subordinate Lien Obligations," or "Junior Subordinate Lien Obligations." The Senior Lien Obligations are secured by a first lien on Pledged Revenues; the Senior Subordinate Lien Obligations are secured by a second lien on Pledged Revenues; and the Junior Subordinate Lien Obligations are secured by a third lien on Pledged Revenues. These liens are senior to any other claim against the Pledged Revenues. Pursuant to the Master Debt Resolution, we have issued and have outstanding both Senior Lien Obligations and Senior Subordinate Lien Obligations. See, "OUTSTANDING OBLIGATIONS AND OUR FINANCING PLANS."

Under the Master Debt Resolution, Pledged Revenues consist of (i) the gross revenues that we receive from a 1% sales and use tax (the "Sales Tax"), and the investment earnings thereon while held by the Trustee in the Gross Sales Tax Revenue Fund, (ii) Pledged Farebox Revenues (as defined herein), (iii) with respect to Senior Lien Obligations, Federal Interest Subsidy payments that are deposited to the Senior Lien Debt Service Fund, and (iv) any additional revenues of DART which by a Supplemental Resolution are expressly and specifically pledged to the payment of Obligations. However, the Federal Interest Subsidy is not used to pay or secure the TIFIA bond debt service. The Sales Tax is imposed on items and services that are sold, rented, or purchased, or acquired for use within our boundaries, and that are subject generally to the Texas sales and use tax. See, "DART'S FINANCIAL PRACTICES AND RESOURCES—Principal Source of Revenue—The Sales Tax." Bond Obligations will be issued for any one or more of the following purposes: refunding outstanding indebtedness, obtaining capital funds for the expansion of our public transportation system, creating reserves, paying interest during limited periods, paying our costs of issuance, or for other purposes if permitted by applicable law.

Unless otherwise indicated, capitalized terms used herein have the meanings assigned to them in the Master Debt Resolution.

This Annual Disclosure Statement may be used to offer and sell a series of Senior Lien Obligations, Senior Subordinate Lien Obligations, or other Bond Obligations only if it is accompanied by the Supplemental Official Statement or Supplemental Disclosure Statement and Offering Memorandum for that series.

Bond Obligations We Expect to Issue in 2015

We do not plan to issue debt in Fiscal Year 2015, but we plan to draw the final \$5 million under our TIFIA Loan agreement.

Preconditions to Issuance of Bond Obligations—Financial Coverage Tests

– Conditions to Issuance of Senior Lien Obligations

There are ten series of Senior Lien Obligations outstanding comprised of the Series 2007 Bonds, the Series 2008 Bonds, the Series 2009A and 2009B Bonds, the Series 2010A and 2010B Bonds, the Series 2012 Bonds, the 2012A TIFIA Bond, and the Series 2014A and 2014B Bonds. Under the Master Debt Resolution, we cannot issue additional Senior Lien Obligations unless:

- (1) An independent economist broadly experienced in economic forecasting in the North Texas region, or an independent certified public accountant or accounting firm, reports to us projections of Gross Sales Tax Revenues and the projections show that the estimated Gross Sales Tax Revenues for each of three consecutive Fiscal Years, beginning with the first Fiscal Year in which Debt Service will be due on the proposed Additional Senior Lien Obligations, are equal at least to 200% of the Debt Service that will be due on all Senior Lien Obligations that will be outstanding after the proposed new issue during each of such three Fiscal Years; or
- (2) During either our most recent Fiscal Year or during 12 out of the most recent 18 months, our Gross Sales Tax Revenues were equal to at least 200% of the maximum Debt Service that will be due on any outstanding Obligations and the proposed Additional Senior Lien Obligations during any of the current or any future Fiscal Year; and
- (3) Our Executive Vice President/Chief Financial Officer, or Senior Vice President, Finance, certifies that we will receive Gross Sales Tax Revenues, during each of three consecutive Fiscal Years beginning with the Fiscal Year in which Debt Service is due on the proposed Additional Senior Lien Obligations, which will be sufficient to pay all Senior Lien Obligations and all Subordinate Lien Obligations during such three Fiscal Years; and
- (4) We satisfy any additional financial tests that may be contained in a Supplemental Resolution or Credit Agreement.

– Conditions to Issuance of Subordinate Lien Obligations

The Master Debt Resolution does not itself impose financial tests as preconditions to the issuance of additional Senior Subordinate Lien Obligations or Junior Subordinate Lien Obligations beyond the requirement that we demonstrate the ability to pay them when due.

We cannot issue additional Senior Lien Obligations or Senior Subordinate Lien Obligations unless:

- (1) We satisfy the financial tests contained in the Master Debt Resolution summarized above; and
- (2) An independent economist broadly experienced in economic forecasting in the North Texas region, or an independent certified public accountant or accounting firm, reports to us projections of Gross Sales Tax Revenues and the projections show that the estimated Gross Sales Tax Revenues for each of the three following and consecutive Fiscal Years, beginning with the first Fiscal Year in which Debt Service will be due on the proposed Bond Obligations, are equal at least to 150% of the Debt Service that will be due on all Bond Obligations that are issued as Senior Lien Obligations and Senior Subordinate Lien Obligations that will be outstanding after the proposed new issue during each of such three Fiscal Years; and
- (3) During any 4 of the most recent 6 calendar quarters immediately preceding the issuance date of the proposed Bond Obligations, our Gross Sales Tax Revenues must have been equal at least to 200% of the Debt Service on our Bond Obligations that were outstanding during such 4 calendar quarters plus Debt Service on the proposed Bond Obligations, assuming that they were outstanding during such period and after taking into account any reduction in Debt Service that may result from the issuance of the proposed Bond Obligations; and

(4) If the proposed Bond Obligations are Senior Subordinate Lien Obligations, our Chief Financial Officer certifies that estimated Gross Sales Tax Revenues during each of the three consecutive Fiscal Years beginning with the Fiscal Year in which Debt Service is due on the proposed Additional Senior Subordinate Lien Obligations will be sufficient to pay 200% of the Debt Service due on all Senior Lien Obligations, Senior Subordinate Lien Obligations, and Junior Lien Obligations during such three Fiscal Years.

We expect that future Credit Providers and general market requirements will, from time to time, impose different or additional financial tests as preconditions to the issuance of additional Bond Obligations. Any such additional requirements will be contained in a Supplemental Resolution or in a Credit Agreement. See, Appendix B, SUMMARY OF CERTAIN TERMS OF THE MASTER DEBT RESOLUTION—Permitted DART Indebtedness.

Method of Issuing Bond Obligations

To issue any series of Bond Obligations, the Master Debt Resolution requires our Board to adopt a Supplemental Resolution establishing the specific terms of the series to be issued. When we issue Bond Obligations, you should purchase them on the basis of this Annual Disclosure Statement only if you have also obtained a “Supplemental Official Statement” or a “Supplemental Annual Disclosure Statement and Offering Memorandum” relating to the series of Bond Obligations you are considering.

Security for the Obligations—Flow of Funds

Our Gross Sales Tax Revenues consist of the money we are entitled to receive under the Act and other state law from the levy and collection of the voter-approved Sales Tax that is levied on taxable items and services that are sold or used within our boundaries. That revenue and the investments thereof, if any, while held by the Trustee in the Gross Sales Tax Revenue Fund are Pledged Revenues that secure all of the Obligations. Additionally, pursuant to the provisions of the Seventh Supplemental Debt Resolution authorizing the issuance of our Series 2010A and 2010B Bonds, we pledged the “Pledged Farebox Revenues” as security for all of the Obligations. The Pledged Farebox Revenues include all fares collected by or on behalf of DART for its bus, rail, and paratransit services in an amount equal to 97.3% of the debt service accruing on the Series 2010 Bonds after deducting the Federal Interest Subsidy applicable to such Bonds. The annual amount of the Pledged Farebox Revenues varies each year based on the actual debt service on the Series 2010B Bonds. The amount constituting Pledged Farebox Revenues ranges from \$22.9 million in 2012 to \$71.4 million in 2049. In addition, Federal Interest Subsidy Payments that are deposited to the Senior Lien Debt Service Fund are pledged to the payment of Senior Lien Obligations. We reserved the rights (1) to pledge the other farebox revenues as security for the payment of Obligations or any other obligations of DART and (2) to exclude any specified portion of farebox revenues from Pledged Farebox Revenues (including Special Revenues) by Supplemental Resolution, provided that the aggregate amount of Pledged Farebox Revenues then expected to be collected in all future Debt Service Accrual Periods shall not be reduced as a result.

State law requires the sellers and suppliers of taxable items and services to collect the Sales Tax from consumers and to pay collected taxes to the Texas Comptroller of Public Accounts. The Comptroller receives and collects all such taxes that are imposed throughout the state and pays them over to the agencies, such as DART, that levy them, net of a 2% collection fee and reserves for possible refunds.

The Master Debt Resolution establishes (1) the procedure for handling the Gross Sales Tax Revenues from the point of release of the revenues by the Comptroller to the Trustee to the point they are released by the Trustee to us; (2) the priorities of the liens that are created for the benefit of the Senior Lien Obligations, the Senior Subordinate Lien Obligations, and the Junior Subordinate Lien Obligations; and (3) the permissible investments thereof at our direction.

The law requires the Comptroller to deliver the net amount of the collected taxes to us or for our benefit not less frequently than quarterly. Under current practice, the Comptroller delivers net tax collections monthly directly to the Trustee for the benefit of the Holders of Obligations under the Master Debt Resolution.

The Trustee is required to deposit money received from the Comptroller to the Gross Sales Tax Revenue Fund. On the day of receipt, the Trustee is required to withdraw that money and to make deposits to three debt service funds in

amounts equal to the Accrued Aggregate Debt Service on the Obligations of each lien ranking, beginning first with the Senior Lien Debt Service Fund, then the Senior Subordinate Lien Debt Service Fund, and finally the Junior Subordinate Lien Debt Service Fund, before any monies are released to us for other uses.

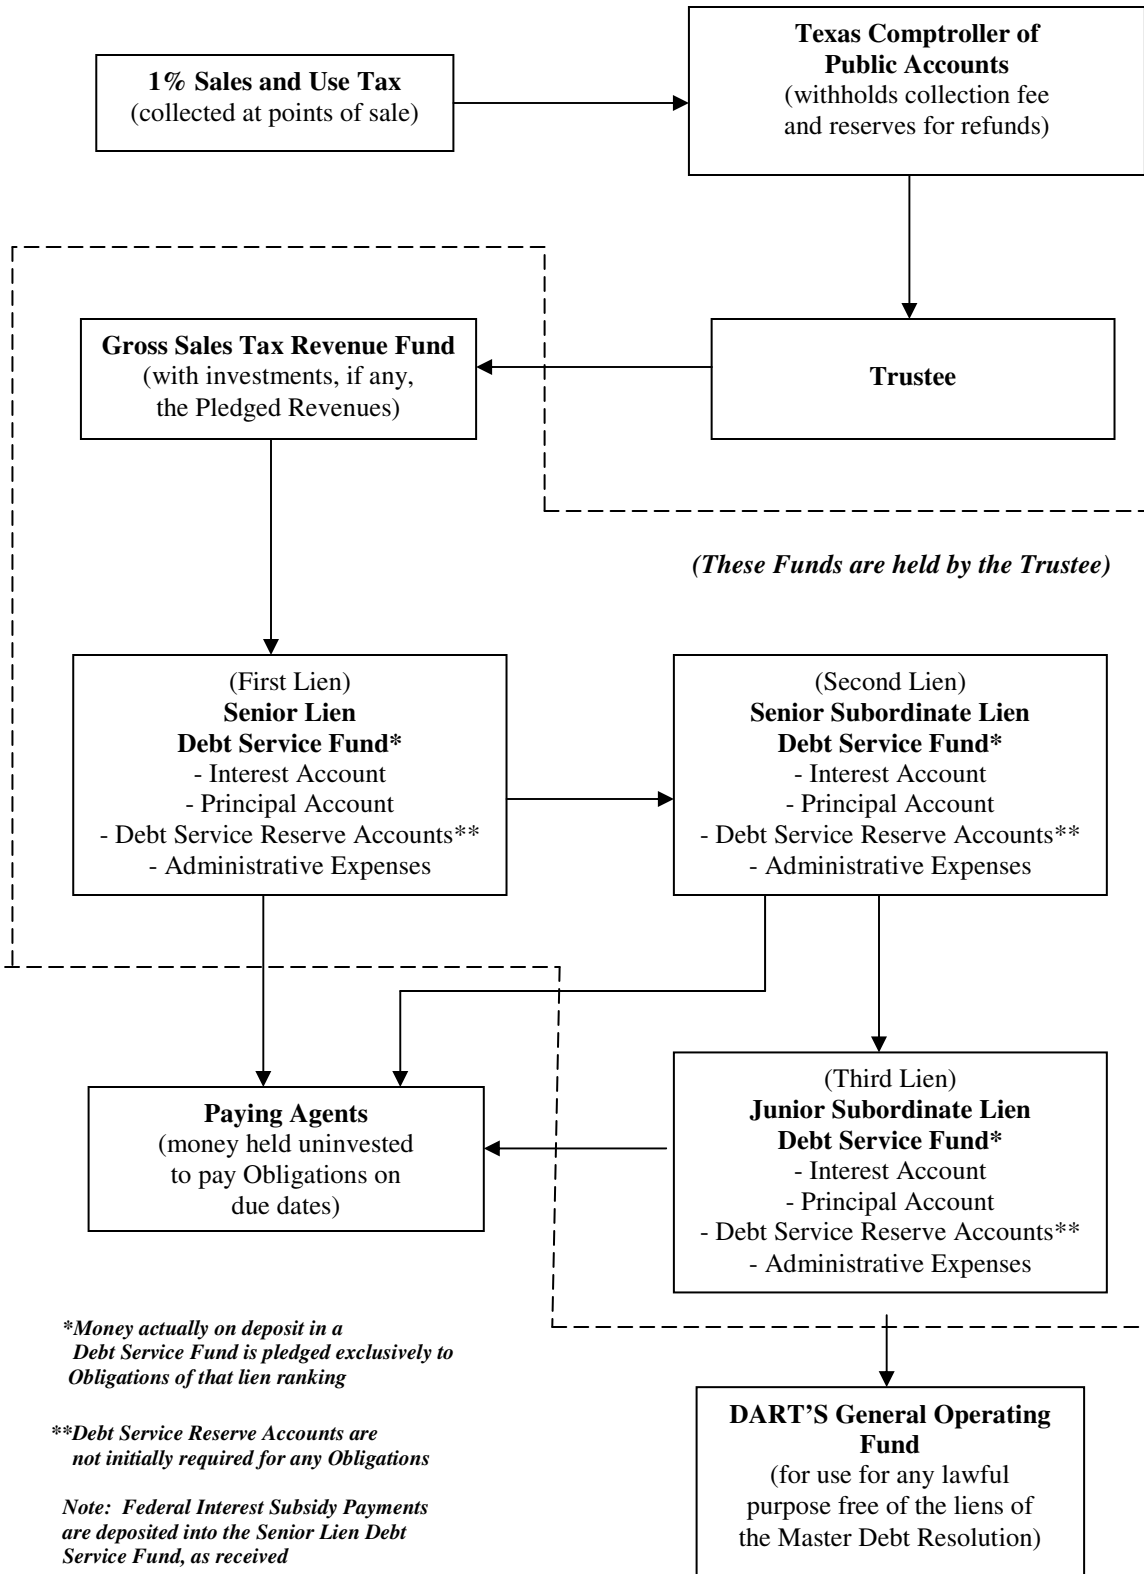

Money actually on deposit in a Debt Service Fund is pledged exclusively and irrevocably to the Obligations of the applicable lien ranking.

If the monies received from the Comptroller are not sufficient to fill all three of the Debt Service Funds to the level of current requirements, they are filled in the order of lien ranking and any deficiencies are restored with the next available Gross Sales Tax Revenues. If amounts on deposit in any Debt Service Fund are not sufficient on any Interest Payment Date, Mandatory Redemption Date or Stated Maturity Date, the Trustee is also required to deposit all the Pledged Farebox Revenues to the Debt Service Funds in the same order of priority as Gross Sales Tax Revenues.

If there is an excess of money over the amounts needed to make the required deposits to all three Debt Service Funds, and after restoring deficiencies, if any, the Trustee is required to deliver the excess revenue to DART, free and clear of the liens of the Master Debt Resolution.

When payments are due on Bond Obligations, the Trustee sends the required amounts from the applicable Debt Service Fund to the Paying Agent(s) for the maturing Obligations, as shown in the following chart of the flow of funds:

Flow of Funds (cont'd)

**Money actually on deposit in a Debt Service Fund is pledged exclusively to Obligations of that lien ranking*

***Debt Service Reserve Accounts are not initially required for any Obligations*

Note: Federal Interest Subsidy Payments are deposited into the Senior Lien Debt Service Fund, as received

Note: Pledged Farebox Revenues are held in the General Operating Fund and are only required to be transferred to the Senior Lien Debt Service Fund if the amounts therein are insufficient to pay debt service on the Bond Obligations.

INFORMATION ABOUT DART

DART is a subregional transportation authority and governmental agency of the State of Texas, created and confirmed by a referendum passed on August 13, 1983, pursuant to Article 1118y of Vernon's Annotated Texas Civil Statutes, as amended and recodified into the Act. The Act authorizes us to provide public transportation and complementary services within the corporate limits of those cities and towns in which the voters have confirmed the creation of or joinder with DART and approved the imposition of the Sales Tax under the Act.

DART's Boundaries, Additions, Withdrawal Rights

Our current boundaries include the following Participating Municipalities: the Cities of Carrollton, Cockrell Hill, Dallas, Farmers Branch, Garland, Glenn Heights, Irving, Plano, Richardson, Rowlett, and University Park and the Towns of Addison and Highland Park, Texas. Our boundaries encompass approximately 700 square miles and contain an estimated population of 2.3 million persons as of January 2014, according to information obtained from the North Central Texas Council of Governments.

If a municipality that we do not currently serve is located at least in part in a county that we serve, the municipality may become a Participating Municipality by holding an election in accordance with the Act at which its joinder with DART and the imposition of the Sales Tax is approved by its voters.

Under the Act, a Participating Municipality has the right to call an election at which its voters may vote to withdraw as a Participating Municipality every sixth calendar year. This process can be initiated by either official action of the Participating Municipality's governing body or by citizen petition. The next year in which withdrawal elections may be held is 2020.

If a withdrawal election is held and voters approve withdrawal from DART, all of our public transportation services to and within the withdrawing municipality must cease on the day following the canvass of the election returns. The Comptroller must continue to collect the Sales Tax within that municipality, however, until we have collected an amount equal to the withdrawing municipality's pro-rata share of our financial obligations that existed at the time of withdrawal. Accordingly, the Act limits the impact a municipality's withdrawal might have on our ability to repay our indebtedness, including any Obligations.

Under the Act, our Board must calculate a withdrawing municipality's financial obligation to us as of the date of withdrawal. This financial obligation shall equal such municipality's portion of the total amount of the following:

- Our outstanding obligations under contract and authorized in our current budget;
- Our outstanding contractual obligations for capital and other expenditures payable from sources other than proceeds of notes, bonds, or other obligations;
- Payments due or to become due in all subsequent years on notes, bonds, or other securities or obligations for debt issued by us;
- Our required reserves for all years to comply with financial covenants made with lenders, note or bond holders, or other creditors or contractors; and
- The amount necessary for the full and timely payment of our existing obligations, to avoid a default or impairment of those obligations, including contingent liabilities.

Any of our financial obligations that specifically relate to such withdrawing municipality will be allocated completely to it.

DART's General Powers and Purposes

We exercise public and essential governmental functions under the Act, and the Act grants us certain powers to carry out these functions. The Act authorizes us to acquire, construct, develop, plan, own, operate, and maintain all real and personal property needed by us for public transportation or complementary transportation purposes. Complementary transportation services include the following services:

- Special transportation services for elderly or disabled persons;
- Medical transportation services;
- Assistance in street modifications to accommodate our public transportation system;
- The purchase, construction, or renovation of general aviation facilities that are not served by certificated air carriers in order to relieve air traffic congestion at existing facilities; and
- Any other service that complements our public transportation system, such as parking garages.

The Act grants to us the right to acquire property by eminent domain for our public transportation system, so long as the governing body (in a city or town) or the commissioners court of the county (in unincorporated areas) having jurisdiction over the property approves the acquisition. The Act also authorizes us to lease to or contract with a private operator to operate a public transportation system or any part thereof, and to contract with any non-participating city, county, or other political subdivision to provide public transportation services to any area outside our boundaries.

The Board of Directors

We are governed by a 15-member Subregional Board of Directors. The governing bodies of the Participating Municipalities appoint members to our Board according to the ratio of the population of each Participating Municipality to the total population within our boundaries. A Participating Municipality having a population which entitles it to make a fraction of an appointment may combine that fraction with one or more other Participating Municipalities to make one appointment, but no Participating Municipality may appoint more than 65% of the members of the Board. The Board is restructured whenever there is a change in the member municipalities or every fifth year after the date census data or population estimates become available.

Each Board member serves at the pleasure of the governing municipal unit that appoints the member. Board members serve staggered two-year terms. Eight of the member terms begin on July 1 of odd-numbered years and seven of the member terms begin July 1 of even-numbered years. Each member is entitled to receive \$50 for each Board meeting attended and is reimbursed for necessary and reasonable expenses incurred in the discharge of the member's duties.

The following table sets forth information regarding our current Board of Directors. The Board appoints from its members a chair, vice chair, secretary, and assistant secretary as shown in the table.

Significant Board Policies and Planning Documents

Our Board has adopted a mission statement, strategic priorities, goals, financial and business planning policies, and general policies that provide management a framework within which the agency must operate. The Board has also adopted Bylaws and Rules of Procedure to ensure that it acts in a consistent and orderly manner. Each year, for planning purposes, DART issues an annual business plan (the “Business Plan”) which includes components of the following:

— The Strategic Plan – The Strategic Plan provides a foundation for all other management actions. Beginning with DART’s mission statement and vision, the Strategic Plan includes priorities, goals, objectives, and performance measures that guide decision-making throughout the agency. The other plans and documents described in this section are also considered to be part of DART’s Strategic Plan because they provide significant guidance for agency activities and require alignment of processes and activities to achieve their full functionality and value. Elements of the Strategic Plan are periodically reviewed and updated to reflect the current environment. The mission statement and vision are the most constant elements of the Strategic Plan while individual project plans and employee performance plans are reviewed and revised at least once each year.

— Service Plan and Transit System Plan – The Service Plan, required by DART’s enabling legislation, specifically describes the service provided including the locations of major transit facilities and fixed guideways. The Transit System Plan, which is not required by law, is the financially constrained long-range planning tool that is updated to incorporate changes in the service area. It provides the vision and direction for DART’s future capital projects and operating programs that will be needed to improve regional mobility. The Transit System Plan is closely coordinated with development of the North Central Texas Council of Governments’ Regional Mobility Plan and is revised periodically. The last revision was completed in Fiscal Year 2007 and focuses on transit needs and opportunities within the context of a 2030 horizon. The DART Board has initiated a revision to the existing 2030 Transit System Plan and is in the early stages of identifying the goals and objectives for this effort. The 2040 Plan is expected to be completed in Fiscal Year 2016.

— Annual Budget – DART’s enabling legislation requires the Board to develop, recommend, and approve an annual budget. The Board must make its proposed annual budget available to the governing bodies of the cities in the service area for review and comment at least 30 days prior to its final adoption. The annual budget, which corresponds to the first year of the Twenty-Year Financial Plan, enumerates the amounts authorized for operating expenses, capital and non-operating costs, and debt service.

— Twenty-Year Financial Plan – The Twenty-Year Financial Plan addresses the affordability of the Transit System Plan and the timing of service and capital expansion projects. The Twenty-Year Financial Plan details projected sources and uses of cash for twenty years. The approved Annual Budget is used as the first year of the plan, and the Business Plan is reflected in the first five years of the plan. The final 15 years of the plan validate the affordability of our long-range Transit System Plan, and include our commitments for future system expansion and the issuance and repayment of debt.

— Business Plan – DART’s Business Plan provides a comprehensive summary of the Agency’s plans and commitments and outlines how DART will employ projected resources to achieve its goals and strategic priorities.

— Financial Standards – The Board’s Financial Standards establish limits for capital expansion, the issuance of debt, and the maintenance of cash reserves. These standards are the basis for our Financial Plan projections. The Board has also approved Business Planning Parameters that establish operating service levels, management performance objectives, and policy limitations for projecting major sources and uses of cash.

— Key Performance Indicators – The Business Plan provides a detailed outline of our performance projections and commitments for each mode of service and DART as a whole. The Plan includes "scorecards" addressing key operating, financial, and quality measures (called “Key Performance Indicators”) and identifying initiatives necessary to improve performance. The Business Plan defines how management will achieve the key initiatives presented in the Strategic Plan.

— Five-Year Action Plan – The Five-Year Action Plan provides detailed discussions of our plans to increase bus and rail ridership through service improvements for a five-year period.

DART’s Management

The Board appoints our President/Executive Director, who also serves as our Chief Executive Officer. The Chief Executive Officer’s duties include:

- Administering our daily operations, including the hiring, compensation, and removal of employees;
- Awarding contracts for services, supplies, capital acquisitions, real estate, and construction without Board approval if the amount of any such contract does not exceed \$100,000; and
- Awarding contracts of up to \$250,000 without Board approval for standard off-the-shelf commercial products.

Additional staff positions that report directly to the Board include the General Counsel, a Director of Internal Audit, and a Director of the Office of Board Support.

Employees and Employee Relations

DART currently has 3,682 budgeted salaried and hourly employees. Bus operators, mechanics, and call center personnel are represented by The Amalgamated Transit Union, Local 1338. As a Texas governmental agency, we do not collectively bargain or sign labor contracts with these employee representatives. We do, however, meet and confer with these representatives on hourly employee issues, compensation, and benefits.

Pension, Retirement, Deferred Compensation Plans, and Other Post-Employment Benefits

We operate three employee benefit plans. Information about the plans is contained in Note 18 to the Audited Financial Statements attached hereto as Appendix A. In addition to pension benefits, we provide post-retirement health care and life insurance benefits in accordance with DART policy to certain employees. Information about such benefits is contained in Note 19 to the Audited Financial Statements attached hereto as Appendix A. We have implemented GASB Statement No. 45 "Accounting and Financial Reporting by Employers for Post-Employment Benefits Other Than Pensions."

Significant Contract Services

We use contracted services extensively, including the following:

- MV Transportation, Inc., for Mobility Management Services (ADA Paratransit operations and On-Call Services);
- Herzog Transit Services, Inc. for our Commuter Rail services;
- Blue Alliance Partners, a Joint Venture (HNTB Corporation/Dikita Enterprises, Inc.) for SOC-3 Design;
- South Oak Cliff Transit Partners, a Joint Venture (Stacey & Witbeck, Jerry Hanes Electric Company, Mas-Tek Engineering & Associates, Kiewit Infrastructure, South Legacy Resource Group) for SOC-3 CMGC;
- URS Corporation, under an Architect/Engineering contract for General Planning Consultant services; and
- Stacy and Witbeck, Inc. / Carcon Industries (a Joint Venture) under a Design Build contract for the Union Station to Oak Cliff Streetcar Line.

We also utilize contracts for a major portion of the planning, design, and construction of major capital programs.

Insurance

We maintain a comprehensive insurance program, including the following:

- We self-insure for auto liability, general liability, and workers' compensation claims arising out of transit operations. Segregated cash reserves are maintained for these programs.
- We carry all-risk property insurance for full repair or replacement in the event of loss with a \$500 million limit for any one loss or any one location.
- We carry \$125 million liability coverage for the Trinity Railway Express commuter rail service with a \$3 million self-insured retention. This policy covers all entities associated with providing commuter rail service.
- We purchase \$10 million of liability coverage for leased premises to comply with the terms of our lease agreements with third parties. We also purchase insurance to cover non-owned automobile liability, directors and officers liability, and employee dishonesty.
- For the second phase of the light rail build-out, we provide a \$50 million project-specific professional liability insurance policy that covers all consultants providing professional services, including environmental consulting services and construction management. In addition, civil contractors are covered for pollution liability arising out of construction activities. The policy has extended reporting periods that will allow DART to report potential claims through 2017.
- An Owner Controlled Insurance Program (OCIP) provides all eligible enrolled contractors involved with constructing Phase II of the light rail build-out with statutory workers' compensation coverage, \$100 million of general and excess liability insurance, railroad protective liability and builders' risk insurance. The OCIP went into effect on July 25, 2006, and will provide coverage through July 25, 2015. An additional ten years of products and completed operations coverage will commence upon acceptance of the work and commencement of revenue service. Products and completed operations coverage for any work covered by the OCIP will not extend beyond July 25, 2025.

An Owner Controlled Insurance Program (OCIP) was also implemented on the SOC-3 section of the build-out. It provides all eligible enrolled contractors involved with constructing with statutory workers' compensation coverage, \$50 million of general and excess liability insurance, railroad protective liability and builders' risk insurance. The SOC-3 OCIP went into effect on July 1, 2013 and will provide coverage through July 1, 2017. We provide a \$10 million project-specific professional liability insurance policy that covers all consultants providing professional services.

As a public entity, we are protected in many instances by governmental immunity. In cases where our governmental immunity does not apply, our liability is often limited by the Texas Tort Claims Act to \$100,000 per person or \$300,000 per occurrence for bodily injury and \$100,000 per occurrence for property damage. Workers' compensation payments are statutory and regulated by the Department of Labor and the Texas Department of Workers' Compensation.

DART'S FINANCIAL PRACTICES AND RESOURCES

Audits of Financial Information

DART's Fiscal Year is from October 1 through September 30. We maintain our records of accounts in accordance with generally accepted accounting principles. Our financial accounts and records are audited at the close of each Fiscal Year by an independent, outside auditing and accounting firm approved by the Board. The audits are usually presented to us not later than 120 days after the close of each Fiscal Year. The Independent Auditors' Report, with our audited annual financial statements for the Fiscal Years ended September 30, 2014 and 2013, is presented as a part of this Annual Disclosure Statement as Appendix A. Each subsequent annual revision of this Annual Disclosure Statement will include our most recent audited annual financial statements and our analysis of the financial results for the year.

Principal Source of Revenue—The Sales Tax

Our principal revenue source is the Sales Tax that is levied on taxable items that are sold, rented, or purchased, or acquired for use, within the boundaries of our Participating Municipalities. The Act and the Limited Sales, Use, and Excise Tax Act, Chapter 151, Texas Tax Code, as amended, contain a full description of the items and services subject to and exempted from the sales and use tax.

The Texas Legislature has modified the sales and use tax base from time to time to add or subtract certain items to or from our taxable base, and even to exempt from taxes certain items purchased during a defined time window. In 1999, the Legislature created an annual three-day "sales tax holiday" just prior to the opening of each new school year which exempts from State and local sales taxes the purchase of certain clothing, school supplies, and footwear. The sales tax holiday exempts these purchases from the Sales Tax as well. While the law establishing the sales tax holiday currently permits us to repeal the temporary exemption from our Sales Tax, we do not intend to repeal this exemption unless it will adversely impact our ability to repay any outstanding Obligations.

The following table shows our Gross Sales Tax Revenues for each of the most recent 10 Fiscal Years. The Gross Sales Tax Revenues show actual receipts in a given Fiscal Year, and may differ from the sales tax revenues shown on our financial statements. When DART is notified of an overpayment of sales tax, an accounting adjustment is made to reflect the reduction in sales tax revenues in that same fiscal year. In two cases where sizeable overpayments were determined to have been made, DART entered into a repayment plan. The table below shows sales tax receipts less any repayment installments. Since the financial statements reflect a reduction in sales tax revenues for the Fiscal Year in which an overpayment is determined to have been made, rather than in the Fiscal Years over which an overpayment is repaid, the sales tax revenues shown on the financial statements may differ from the Gross Sales Tax Revenues shown below.

Gross Sales Tax Revenues* (in millions)	
Fiscal Year ended 9/30	Receipts
2005	\$341.8
2006	\$370.5*

2011	\$402.4
2012	\$432.5
2013	\$455.7
2014	\$485.7

*The amounts shown for 2006 and 2008 include \$13.2 million and \$3.6 million, respectively, that the State Comptroller has determined to be overpayments. Such amounts are being repaid by DART in quarterly payments through March 2027. See “DART’s Operations and Performance Results – Sales Tax Revenues and the Net Operating Subsidy.”

Secondary Revenues—Farebox Collections

We collect fares from our bus, rail, and paratransit users. The Act permits us to set fares based upon a zone system or by another classification that we determine to be reasonable and nondiscriminatory.

We receive other miscellaneous revenues, primarily from advertising and leases. We refer to these and the farebox revenues as “Operating Revenues.” The following table lists our operating revenues and expenses for the past 10 fiscal years.

Operating Revenues & Expenses (in millions)		
Fiscal Year ended 9/30	Operating Revenues	Operating Expenses
2005	\$46.2	\$427.5
2006	\$49.9	\$447.1

2012	\$80.1	\$645.8
2013	\$83.7	\$701.7
2014	\$84.5	\$704.5

Federal Grant Funds

We receive federal grant funds primarily from the Federal Transit Administration (“FTA”). We utilize these proceeds to fund a portion of our eligible capitalized maintenance expenses and capital programs. Congress allocates transit funds on both a formula basis and a discretionary basis. We are eligible to receive both types of funds.

In July 2006, FTA awarded a landmark \$700 million Full Funding Grant Agreement (FFGA) to DART for the Northwest Southeast Light Rail Transit (NWSE LRT) extension project. Congress appropriates the funds for such Agreements annually. We received our final appropriation of \$8.7 million in Fiscal Year 2014.

Federal grants are on a reimbursement basis, so receipts will not match annual appropriation. The following table reflects actual federal and state cash receipts of DART by Fiscal Year for the past ten years.

Federal/State Receipts (in millions)		
Fiscal Year	Federal Receipts	State Receipts
2005	\$ 91.7	\$ 0.3
2006	\$ 69.5	\$ 0.0
2007	\$137.9	\$ 0.0
2008	\$173.4	\$ 0.0
2009	\$300.5	\$ 0.1
2010	\$197.9	\$13.6
2011	\$165.5	\$ 0.3
2012	\$174.8	\$15.0
2013	\$139.7	\$ 0.1
2014	\$117.9	\$4.0

Lease/Leaseback Transactions

As authorized by the Act, we entered into ten separate economically defeased lease transactions which, in general, involved our lease and leaseback of specified, depreciable property to various trustee entities, acting on behalf of private investors. As of the date hereof, two of such transactions are still outstanding. The two outstanding transactions involve the lease and leaseback of light rail cars used as a part of our transit system. Although we retain legal title to the leased property, these transactions were structured so as to result in a sale of the leased property to the private investors for federal income tax purposes. The rent due for the full term of the leases was prepaid to us, and the trustees have no further obligation to pay us any rent under the leases. The respective trustee subleased the property back to us for a sublease term that is shorter than the term of the respective lease. At a specified date on or before the end of the sublease term, we have the right to purchase the respective trustee's interest in the respective lease.

We paid a portion of the advance rental payments received by us from the trustees to purchase contractual undertakings from certain financial institutions, rated "AA" or better at that time by recognized rating agencies, pursuant to which such financial institutions assumed and agreed to pay to the respective trustee the sublease rental payments due and owing by us through our purchase option date, together with the purchase option price owed by us if we determine to exercise our purchase option rights. In other leases, we deposited a portion of such advance rental payments with a custodian, whom we instructed to purchase direct obligations of the United States Government and other securities that will mature on the dates and in the amounts required to pay sublease rental payments and the respective purchase option price.

The excess amounts of the advance rental payments received by us over the costs of the contractual undertakings and the amounts of the custodial deposits, after paying for certain other costs incurred in connection with the transactions, was retained and utilized by us. After closing the transactions, we continue to have the right to uninterrupted use and possession of the leased property so long as we are not otherwise in default under the contractual terms of the lease documents. Notwithstanding such contractual undertakings and custodial deposits, we remain obligated to pay all amounts owed by us under the subleases, including sublease rent and the respective purchase option price should we exercise it, in the event of the insolvency of or other failure to pay by the respective financial institution or a failure of the respective custodial deposits.

We have successfully terminated or repaired all lease/leaseback transactions that were non-compliant with their respective operative documents. As of September 30, 2014, three lease/leaseback transactions were active and all are in full compliance with the respective operative documents, as amended. See Note 11 to the Audited Financial Statements attached hereto as Appendix A.

DART OPERATIONS AND PERFORMANCE RESULTS

The Independent Auditors' Report on DART's financial statements for the fiscal year ended September 30, 2014, is attached as Appendix A. The information contained under this heading presents the comments, observations, and interpretations of financial and other facts and practices by our management and its opinions as to those facts, practices, and circumstances affecting DART. We do not warrant or guarantee that the conclusions we have drawn

therefrom are accurate or complete or provide any assurances as to future financial and/or operating results of DART. The financial information discussed in this section is derived from the financial statements attached as Appendix A and other identified sources.

Sales Tax Revenues and the Net Operating Subsidy

Sales tax revenues contributed 64% and 61% of total revenues (which includes capital contributions and grants) in Fiscal Year 2014 and Fiscal Year 2013, respectively (excluding debt issuances). Sales tax revenues in Fiscal Year 2014 were \$486.6 million, a \$30.0 million (6.6%) increase over Fiscal Year 2013. Net receipts were \$485.7 million versus a Sales Tax Budget of \$478.5 million. Our sales taxes highly correlate with personal income and retail sales in the region. Our principal revenue source is the sales tax. Sales tax revenues received by us from the State Comptroller reflect sales transactions that occur approximately two months prior to receipt by us. The sales tax revenues discussed in this section are derived from our annual financials which reflect accounting adjustments made as a result of overpayments of sales taxes to DART. As a result of these accounting adjustments, sales tax revenues shown on our financial statements may differ from the Gross Sales Tax Revenues (which represent actual receipts in a Fiscal Year) shown in the table on page 15. As a result of overpayments to DART of \$13.2 million in Fiscal Year 2006 and \$3.6 million in Fiscal Year 2008, DART entered into a repayment plan with the State Comptroller which commenced in December 2006, and currently extends to March 2027. Pursuant to the repayment plan, the State Comptroller deducts quarterly repayments from sales tax revenues that would otherwise be owed to DART.

The Fiscal Year 2015 Budget projects Net Sales Tax Revenues of \$503.0 million compared to \$478.5 million for 2014. This represents a 5.1% increase from the 2014 budget which represents a 3.6% increase over the 2014 Actual Sales Tax Receipts. For the first two months of Fiscal Year 2015, sales tax receipts are 6.7% over the first two months of Fiscal Year 2014 and 5.49% above our Fiscal Year 2015 sales tax budget.

We maintain various cash reserves including a Financial Reserve Account that is funded with sales tax collections, if any, that exceed budget during a given year. In addition, a Capital Project Reserve Account was established. If the Financial Reserve Account exceeds \$50 million, excess funds are placed in the Capital Project Reserve Account. An affirmative vote of two-thirds of the Board is required to draw upon the Financial and Capital Project Reserves and the funds may be used for any purpose approved by the Board. As of September 30, 2014, the balance in the Financial Reserve Account was \$46.2 million and the balance in the Capital Reserve Account was \$0. For Fiscal Year 2014, our sales tax receipts exceeded our sales tax budget by \$7.2 million. These funds were moved in December 2014. The balance in the Financial Reserve Account was \$50.0 million, and the balance in the Capital Reserve Project Reserve was \$3.4 million as of December 31, 2014. DART has entered into an Equity Security Agreement on one of our lease/leaseback obligations that requires us to set aside certain investments as security. As of September 30, 2014, DART has \$9.8 million set aside in the Financial Reserve for this purpose. In addition, we are required by our Financial Standards to maintain a working cash balance in the general operating fund equal to at least one month of expenses that are projected to be paid from sales tax collections. As of September 30, 2014, the balance in the general operating fund was \$740.8 million which equals approximately 9 months of expenses.

Results for Fiscal Year 2014 reflect a loss before capital contribution and grants of \$256.2 million compared to \$289.6 million for 2013. This loss in 2014 is less than that of 2013 due to an increase in non-operating revenues.

Net operating subsidy measures the amount of sales tax dollars required to subsidize the operating costs of our public transit system. We calculate “net operating subsidy” in the following manner: operating expenses minus extraordinary items and depreciation minus operating revenues. Our goal is for the sales tax revenues to increase by a higher percentage than net operating subsidy. In Fiscal Year 2014, net operating subsidy increased as compared to 2013 due to increases in operating expenses.

Sales Tax Revenues for Operating Expenses

Sales tax revenues for operating expenses measures the percentage of sales tax revenues required to subsidize net operating costs. Conversely, this ratio also measures the amount of funding available for debt service and future capital expenditures. The sales taxes for operations calculation is as follows: net operating subsidy (see above) less interest income divided by sales taxes. This ratio moves lower if sales taxes grow by a higher percentage than net subsidy. The ratio decreased from 78.7% in Fiscal Year 2013 to 74.4% in Fiscal Year 2014 due primarily to increased sales tax revenues.

Subsidy Per Passenger

Subsidy per passenger measures the efficiency of our services. Specifically, it measures the amount of tax subsidy required each time a passenger uses our services. It is calculated as follows: operating expenses minus depreciation

minus extraordinary items minus operating revenues divided by passenger boardings. Our goal is to minimize subsidy per passenger each year. For this to happen, ridership must grow at a higher percentage than net subsidy. Total system subsidy per passenger in Fiscal Year 2014 was \$3.99, a \$0.63 increase from Fiscal Year 2013. Fixed-route subsidy per passenger in Fiscal Year 2014 was \$4.87, a \$0.20 (4.3%) increase from Fiscal Year 2013. Subsidy per passenger for Fiscal Year 2014 ranged from a high of \$39.59 for paratransit service to a low of \$0.11 for HOV service.

INFORMATION ABOUT DART'S TRANSPORTATION SYSTEM

The Current System

Our current mass transit services include:

- Regular route bus service;
- Special events service;
- DART Mobility Management services including Paratransit, DART On-Call, and Flexible services;
- Light rail transit service;
- Commuter rail service;
- High Occupancy Vehicle Lanes transferred to TxDOT (see page 17); and
- RideShare matching services for carpools and vanpools.

During Fiscal Year 2014, we moved 92.1 million passengers. Average weekday ridership decreased 12.5% to 311,300 in Fiscal Year 2014 as compared to Fiscal Year 2013. The majority of this decrease was due to the transfer of HOV operations to TxDOT. The following table highlights total system ridership by mode for the last ten years.

Ridership by Mode (in millions)							
Fiscal Year	Bus	LRT*	Commuter Rail	HOV	Paratransit	Vanpool	Total
2005	40.1	17.5	2.1	37.4	0.6	0.4	98.1
2006	44.4	18.6	2.4	36.1	0.7	0.4	102.6

2012	38.7	27.7	2.3	34.4	0.8	1.0	104.9
2013	38.0	29.5	2.1	36.3	0.7	0.9	107.5
2014	37.4	29.4	2.3	21.4	0.7	0.9	92.1

*Automatic Passenger Counter (APC) data used beginning in 2012. These counters have proven to be considerably more accurate than our current manual ridership counting methodology. The APCs show that we have been underreporting ridership by approximately 15.5%.

The system ridership and fixed-route ridership numbers are highlighted in the analysis given above. Fixed-route service includes bus, light rail, and commuter rail operations. Total system ridership includes fixed-route, paratransit, HOV transitways, and vanpools. Ridership figures are based on the number of unlinked passenger boardings (each passenger boarding is counted as one trip). Total system ridership in Fiscal Year 2014 was 92.1 million, a decrease of 15 million (14.3%) from Fiscal Year 2013. The majority of this decrease was due to the transfer of HOV operations to TxDOT.

We contract for all of our paratransit and commuter rail services. While we remain responsible for these programs, our contracts establish operating performance standards which the contractors are expected to meet. We maintain an aggressive program to monitor and audit contractor compliance.

— Bus Transit (40.6% of total system ridership in Fiscal Year 2014)

Our bus system provides local, express, crosstown, on-call, flex, feeder bus routes and site specific shuttles. Local routes are focused on the Dallas Central Business District and serve the largest and most dense concentration of employment in the service area. The routes are characterized by stops at one to two block intervals along their stop segments. Service is provided six to seven days a week.

— Light Rail Transit (32% of total system ridership in Fiscal Year 2014)

Light Rail Transit is an electrically powered rail system that generally operates at street level. A 20-mile “Starter System,” opened in phases from June 1996 through May 1997, connects South and West Oak Cliff, downtown Dallas, and the North Central Expressway corridor as far north as Park Lane in Dallas. In 2002, DART’s light rail was extended to North Dallas, Garland, Richardson, and Plano. In 2009, the first phase of the Green Line opened southeast of downtown Dallas with the remainder opening in 2010. In July 2012, the first segment of the Orange Line to Irving opened for service. In December 2012, Irving-2 and the Rowlett extension of the Blue Line opened for service. In August 2014, rail service opened at the Dallas-Fort Worth International Airport. We currently operate a 90-mile light rail system.

— Commuter Rail (2.5% of total system ridership in Fiscal Year 2014)

Our commuter rail system, commonly referred to as the Trinity Railway Express (the “TRE”), provides diesel powered passenger railroad services on the TRE Corridor between Dallas and Fort Worth, in mixed traffic with freight railroad operations. The 34-mile corridor is jointly owned by DART and the Fort Worth Transportation Authority (the “T”). TRE service is provided pursuant to an interlocal agreement between DART and the T. This agreement was originally entered into in 1994 and was restated and adopted by both Boards in 2003.

Pursuant to Trackage Rights Agreements, the Burlington Northern Santa Fe, the Dallas Garland and Northeastern, and the Union Pacific railroads pay a fee for the right to operate freight services on the TRE corridor. TRE, through its contractor, Herzog Transit Services, Inc., dispatches and maintains the corridor as well as operates the service and maintains the rolling stock used in the service.

— Paratransit (0.8% of total system ridership in Fiscal Year 2014)

We are responsible for providing complementary paratransit service in accordance with the Americans with Disabilities Act of 1990 (the “ADA”). In Fiscal Year 2013, we transitioned to a new service delivery model and a new contractor, MV Transportation, Inc. (MV), for providing Paratransit service. MV provides, operates, and maintains a fleet of 8 MV-1s and 92 Starcraft vehicles, along with 11 DART-provided On-Call vans. During the first pilot year of the contract (FY 2013), the vehicle mix was adjusted to better suit the needs of DART Paratransit riders. This translated to MV altering the plans to operate 92 Starcraft vehicles through dedicated service in the second year of the contract. MV also oversees and manages a fleet of approximately 200 taxi vehicles provided by Yellow Cab.

— High Occupancy Vehicle (“HOV”) Lanes (23.2% of total system ridership in Fiscal Year 2014)

Interim HOV lanes are constructed within the right-of-way of existing freeways to provide access for multi-passenger vehicles and to relieve congestion levels. Buses, vanpools, motorcycles, and carpools with two or more occupants may use the HOV lanes. DART was responsible for operations, enforcement, and maintenance of the lanes until September 30, 2013. Beginning October 1, 2013 until the end of Fiscal Year 2014, DART’s only financial responsibility was the operation of the barrier transfer machine on the I-30 HOV lane. On October 1, 2014, TxDOT assumed all operating responsibilities for the HOV lanes.

— Transportation Demand Management (Vanpool is 0.97% of total system ridership in Fiscal Year 2014)

We work with area employers to develop strategies for reducing employee trips, such as carpools, vanpools, and flexible work schedules. We provide 206 vans for our vanpool program through a third party contractor. We also assist customers in forming carpools. Prospective carpoolers can call in and provide us with information for our RideShare database. We then work to link-up customers with common trip origins and destinations.

— *Special Events Service*

In FY 2014, we operated special event services (bus, light rail, and TRE) to the Texas State Fair, New Year's Eve celebration in downtown Dallas, concerts, basketball, and hockey games. FTA charter regulations restrict the use of buses for charter activity. Consequently, most special event services are provided on the light rail and commuter rail systems. Bus involvement is restricted to supplementing the capacity of the rail system during periods of very high usage.

Financial Plan

On September 16, 2014, the Board of Directors formally adopted the FY 2015 Annual Budget and Twenty-Year Financial Plan. The FY 2015 Twenty-Year Financial Plan remains largely unchanged from the FY 2014 Plan except for the Core Capacity improvements in downtown Dallas (commonly referred to as D2). Highlights of the FY 2015 Budget and Financial Plan are:

- The FY 2015 Annual Budget totals \$983.9 million; \$475.9 million in operating, \$316.9 million in capital, and \$191.1 million in net debt service. This represents a reduction from the last few years as Light Rail construction projects are completed;
- DART's primary focus for the next several years will be on improving the efficiency, effectiveness, and quality of the services it delivers;
- Capital expenditures will be primarily directed toward the construction of SOC-3, asset maintenance and replacement rather than system expansion until 2018, when the D2 design and construction of core capacity improvements will become the next major system expansion; and

Design and construction will continue on the final light rail line section in the current system build-out. Opening in late 2016 (two years ahead of schedule) will be the South Oak Cliff-3 (SOC-3) line section. This 2.6-mile extension of the Blue Line south extends from Ledbetter Station to the University of North Texas-Dallas campus.

DART continues work on two separate streetcar projects. The first is a City of Dallas Union Station to Oak Cliff Streetcar Project that consists of an approximately 1.6-mile streetcar line running from Union Station to the intersection of Colorado Blvd. and Beckley Ave. The City of Dallas is also pursuing extensions of this project on the west to the Bishop Arts District and further into downtown Dallas on the east to reach the Omni Convention Center Hotel. DART is providing technical assistance for these projects under agreement with the City of Dallas. The first phase of this project is scheduled to open in mid-FY 2015.

A second streetcar project is a 0.65-mile (3,432-ft) urban streetcar trackway connecting the Dallas Olive Street extension of the McKinney Avenue Transit Authority (MATA) M-Line to the existing MATA alignment on St. Paul Street. DART is the project sponsor. This project will provide direct pedestrian access from the McKinney Trolley to the existing DART Rail St. Paul Station. The project is expected to be completed by FY 2015.

The FY 2015 Plan includes \$983 million in core capacity (D2) projects plus \$91 million in other new capital projects; \$482 million (45%) of these projects are to be funded by grants and external contributions. Another \$31 million will come from existing capital reserves. The remaining amount will be funded from savings and deferral of other existing capital projects. The Plan reflects the use of a debt issue of \$400 million as a financing tool. The significant new capital costs include:

- A tunnel for the Orange Line connecting Victory Station to Union Station;
- Platform extensions on the Red and Blue lines to enable the use of three car trains;
- Replacement of rail in the Dallas Central Business District;
- An electric bus demonstration project; and
- An extension of the Oak Cliff Streetcar line.

The FY 2015 Business Plan (including the FY 2015 Annual Budget and Twenty-Year Financial Plan) is posted on our website at www.dart.org.

Future Expansions

The Board periodically updates our Transit System Plan. The most recent update, the 2030 Transit System Plan, was adopted in October 2006. The 2.6-mile Blue Line extension to the UNT Dallas Campus (South Oak Cliff-3) is funded and under construction. The Federal Transit Administration (FTA) has recently approved Project Development for the Red and Blue Line Platform Extensions under their Core Capacity program

The DART Board has initiated a revision to the existing 2030 Transit System Plan and is in the early stages of identifying the goals and objectives for this effort. Projects in the 2030 Transit System Plan that were deferred or underfunded over the past several years will be reviewed and evaluated for potential inclusion in the 2040 Plan along with any new projects that may be identified. It is anticipated that the new plan will also focus on sustainability including low-cost initiatives to grow ridership, maintaining the system in a state of good repair, and regional connectivity. The 2040 Plan is expected to be completed in Fiscal Year 2016 and will also be financially constrained.

LITIGATION

In Ordinary Course of Business

Typically, a number of claims, administrative appeals, and/or lawsuits arise from individuals and businesses in the ordinary course of our business that seek compensation for additional construction costs, labor, and employment claims, personal injuries, death, and/or property damage resulting from routine operation and development of our public transportation system. We do not believe that the outcome of these claims, administrative appeals, and/or lawsuits will have a material adverse effect on our financial condition. We have accrued an estimate of losses on such matters and have included this accrual in accounts payable and accrued liabilities in our consolidated balance sheets.

INVESTMENT CONSIDERATIONS

Source of Payment is Limited

The Obligations will be special obligations of DART and will be secured by a lien on the Pledged Revenues.

The Obligations are not debts or obligations of the State of Texas; nor are they the debt or obligation of any Participating Municipality. The holders of Obligations will never have the right to demand payment out of any of our funds other than the Pledged Revenues, unless we, in the case of Subordinate Lien Obligations, expressly and specifically pledge Special Revenues to such payment. We do have the right, however, but are not obligated, to enter into Credit Agreements with respect to any issue of Bond Obligations having any lien ranking as to Pledged Revenues. If we do so, the Holders of the issue of Bond Obligations to which a Credit Agreement relates will have such additional security as the Credit Agreement may provide, such as municipal bond insurance policies, bank-issued letters of credit, or other forms of credit enhancement.

Our Ability to Make Payments on Obligations is Dependent Upon the Amount of Gross Sales Tax Revenues Actually Generated

Except for Bond Obligations that may be supported by a Credit Agreement, as discussed above, the only sources of security for the Obligations will be the Gross Sales Tax Revenues collected by the Comptroller and remitted to the Trustee and the investments thereof, Federal Interest Subsidy, and the Pledged Farebox Revenues. Sales Tax receipts are impacted by changes in the economic activity and conditions of a municipality or geographic area, and the amount of Gross Sales Tax Revenues generated in any future year is not certain.

The Collection of the Sales Tax is Beyond Our Control

Generally, the seller of taxable items and services collects the Sales Tax from the consumer at the point of a taxable transaction and remits these taxes to the Comptroller. We do not control the Comptroller's collection efforts, and the Comptroller's collection efforts against a private seller of goods and services are subject to applicable State law and to federal bankruptcy code provisions with respect to the protection of debtors.

The Comptroller May Reduce Future Payments of our Gross Sales Tax Revenues or Require Us to Make Repayments to Provide for the Repayment of Overpayments of Gross Sales Tax Revenues that Occurred in Prior Periods

The Comptroller periodically identifies underpayments and overpayments of Gross Sales Tax Revenues and responds to claims by taxpayers. In the event that the Comptroller determines that we received an overpayment, our Gross Sales Tax Revenues for future periods are subject to reduction or we may be required to make a repayment in order to reimburse the overpayment. Under State law, DART has no legal standing or ability to intervene or appeal the Comptroller's determination. We have previously entered into two repayment agreements with the Comptroller regarding overpayments, including an agreement whereby overpayments of approximately \$16.8 million will result in a reduction of our Gross Sales Tax Revenues in equal amounts quarterly through March 2027.

We May Receive Payment of Gross Sales Tax Revenues Less Frequently

State law requires the Comptroller to remit Gross Sales Tax Revenues to us only on a quarterly basis. As a matter of convenience and accommodation to local taxing entities, the Comptroller remits Gross Sales Tax Revenues to us and other taxing entities on a monthly basis. While we have no reason to believe that the Comptroller's current practice will be discontinued, there is no assurance that the Comptroller will continue to remit Gross Sales Tax Revenues to us on a monthly basis. Thus, temporary cash flow irregularities could occur.

We May Experience Variations in our Gross Sales Tax Revenues

Variations in the amount of receipts can be adversely affected by a number of variables, including (1) changes in State laws and administrative practices governing the remittance and allocation of Sales Tax receipts, (2) changes in the tax base against which the Sales Tax is assessed, (3) changes in the economic activity and conditions of a municipality or geographic area, and (4) the withdrawal from DART of one or more of the Participating Municipalities. See, "DART'S FINANCIAL PRACTICES AND RESOURCES."

Ratings of the Obligations Do Not Assure Their Payment

The Bond Obligations may be rated by one or more nationally recognized rating agencies. Each Supplemental Disclosure Statement and Offering Memorandum and each Supplemental Official Statement will describe any rating(s) that may be applicable to a series of Bond Obligations. A rating reflects the rating agency's assessment of how likely it is that holders of a class of securities will receive the payments to which they are entitled. A rating may not remain in effect for any given period of time, and a rating agency may lower or withdraw a rating entirely. A rating is not a recommendation to purchase, hold, or sell securities because it does not address the market price of the securities or the suitability of the securities for any particular investor.

CONTINUING DISCLOSURE OF INFORMATION

We have agreed voluntarily to replace this Annual Disclosure Statement on an annual basis and to update it after the first, second and third quarters of our fiscal year. These disclosure documents will be filed with the Municipal Securities Rulemaking Board ("MSRB") identified below, and will be posted on the Internet at our website, www.dart.org. We reserve the right to suspend or stop postings on the Internet and the annual and quarterly updates at any time.

However, we intend to comply fully with the terms of our agreement in the Master Debt Resolution undertaken pursuant to Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule") for the benefit of the Holders and

beneficial owners of Bond Obligations that are subject to the Rule. Under this agreement, so long as any covered Bond Obligations remain outstanding we will provide certain updated financial information and operating data annually, and timely notice of specified material events, to the MSRB.

Annual Reports Required by the Rule

We will provide certain updated financial information and operating data with respect to us and the System to the MSRB annually. This information includes all quantitative financial information and operating data with respect to us and our transportation system of the general type included in this Annual Disclosure Statement and in each Supplemental Disclosure Statement, if any, that is approved by a Supplemental Resolution with respect to Bond Obligations subject to the Rule.

We will update and provide this information within six months after the end of each fiscal year. We will provide the updated information to the MSRB in electronic format, which will be available to the public free of charge via the Electronic Municipal Access (“EMMA”) system at www.emma.msrb.org.

The updated information will include audited financial statements if they are completed by the required time. If audited financial statements are not available by the required time, we will provide unaudited financial statements by the required time, and will provide audited financial statements when and if an audit report becomes available. Any such financial statements will be prepared in accordance with the accounting principles described in Appendix A or such other accounting principles as we may be required to employ from time to time pursuant to state law or regulation.

Our fiscal year ends on September 30. Accordingly, we must provide updated information by the last day of March in each year, unless we change our fiscal year. If we change our fiscal year, we will notify the MSRB of the change.

Over the last five years, we have complied in all material respects with all Continuing Disclosure Agreements made by us in accordance with the Rule except that DART timely electronically filed with EMMA its 2012 Annual Disclosure Statement for the year ended September 30, 2011. However, DART’s Audited Financial Statements for the year ended September 30, 2011 that are part of the Annual Disclosure Statement as Appendix A were inadvertently omitted from the electronically filed 2012 Annual Disclosure Statement as a result of an error that occurred during the electronic submission process. As a result, the Audited Financial Statements were not filed with the Annual Disclosure Statement. DART Financial staff corrected the submission by filing the Audited Financial Statements for the period ended September 30, 2011 on October 10, 2012. DART has modified its procedures for future submissions to EMMA. Under its new procedures, DART will electronically transmit to EMMA the Annual Disclosure Statement and the Audited Financial Statements as separate documents.

Material Event Notices Required by the Rule

We will also provide timely notices of any material events to the MSRB, in not more than ten Business Days after the occurrence, thereof, of any of the following events:

- (i) Principal and interest payment delinquencies;
- (ii) Nonpayment related default, if material;
- (iii) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) Substitution of credit or liquidity providers, or their failure to perform;
- (vi) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability. Notices of Proposed Issue (IRS Form 5701-TED) or other material notices or determinations with respect to the tax status of Obligations, or other material events affecting the tax status of Obligations;

- (vii) Modifications to rights of Holders of Bond Obligations;
- (viii) Bond Obligation call, if material and tender offers;
- (ix) Defeasances;
- (x) Release, substitution, or sale of property securing repayment of Bond Obligations; or
- (xi) Rating changes;
- (xii) Bankruptcy, insolvency, receivership, or similar event of DART, which shall occur as described below;
- (xiii) The consummation of a merger, consolidation, or acquisition involving DART or the sale of all of substantially all of its assets, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (xiv) Appointment of a successor or additional paying agent/registrar or the change of name of a paying agent/registrar, if material.

For these purposes, any event described in the immediately preceding clause (xii) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for DART in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of DART, or if such jurisdiction has been assumed by leaving the existing governing body, and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court of governmental authority having supervision or jurisdiction over substantially all of the assets or business of DART.

In addition, we will provide timely notice of any failure by us to provide information, data, or financial statements in accordance with our agreement under the Rule.

Availability of Information From MSRB

The information will be available to Holders of Bond Obligations free of charge through the MSRB's EMMA system at www.emma.msrb.org.

BOND RATINGS

The current underlying ratings for all the outstanding Senior Lien Obligations are "Aa2" by Moody's Investors Service, Inc. and "AA+" by Standard & Poor's Ratings Services, a Standard and Poor's Financial Service LLC business. The Series 2007 Bonds and the Series 2008 Bonds are rated "AA" by Fitch Ratings.

OBLIGATIONS AS LEGAL INVESTMENTS

Under the Act, the Bond Obligations are authorized investments for banks, savings banks, trust companies, savings and loan associations, and insurance companies, and are eligible to secure the deposit of public funds of the State, a political subdivision of the State and any other political corporation of the State. For political subdivisions in Texas that have adopted investment policies and guidelines in accordance with the Public Funds Investment Act, a rating of "A" or better as to investment quality of the Bond Obligations by a national rating agency may be required before such obligations are eligible for investments for sinking funds and other public funds. We have not reviewed the laws in other states to determine whether our obligations are legal investments for various institutions in those states.

TRUSTEE AND PAYING AGENTS

The Trustee under the Master Debt Resolution is Amegy Bank N.A. and its successors. A Paying Agent for each series of Bond Obligations issued under the Master Debt Resolution will be specified in the Supplemental Resolution creating such series.

For the purposes of this definition, a counterparty is not qualified unless it holds a current rating for claims-paying ability by at least two nationally recognized rating agencies at least equal to the rating of each such rating agency assigned to the Initial Senior Lien Obligations without reference to any Credit Agreement.

System - means the public transportation system of DART, including complementary transportation services, and all of the properties and assets of DART that are defined in and permitted by the Act, whether owned or operated by DART directly or provided for or on behalf of DART by others pursuant to contracts executed for such purposes as provided in the Act.

Interpretations - Standard Assumptions {Sections 1.4(e) and (f)}

Wherever a calculation of Debt Service with respect to Interim Obligations is required by application of the Standard Assumptions, the Debt Service shall be computed by assuming (A) that the Outstanding principal amount of the series of Interim Obligations are bonds secured by a lien on Pledged Revenues on a parity with the Interim Obligations which will amortize over a period of not to exceed 25 years following the date of initial issuance of such Interim Obligations in such manner as will cause the maximum Debt Service for such series in any 12 month period not exceeding 110% of the minimum Debt Service for such series for any other 12 month period, and (B) such series will bear interest at a fixed interest rate reasonably estimated to be the interest rate such series would bear if issued on the date of such estimate.

Wherever a calculation of Debt Service with respect to Variable Interest Rate Obligations that are not Interim Obligations is required by application of the Standard Assumptions, the Debt Service shall be computed by assuming that such Obligations will bear interest at the highest of (i) the actual rate on the date of calculation, or, if such Obligations are not yet Outstanding, the initial rate, if established and binding, (ii) if the Obligations have been Outstanding for at least 12 months, the average rate over the 12 months immediately preceding the date of calculation, or (iii) (A) if the Obligations are Tax Exempt Obligations, the most recently published "Revenue Bond Index," published by the financial news publication presently known as The Bond Buyer, or by a comparable index if no longer published, plus fifty basis points, or (B) if the Obligations are not Tax Exempt Obligations, the interest rate on direct obligations of the United States with comparable maturities, plus fifty basis points or (C) if the Obligations are Credit Agreement Obligations, such rate as is specified in the Supplemental Resolution creating such Credit Agreement Obligations.

PURPOSES, PLEDGE AND SECURITY

{Article II}

Purposes of Resolution, Contract with Holders {Section 2.1}

The Master Debt Resolution establishes a lien and the security for, and prescribes minimum standards for issuing, Obligations; authorizes the issuance of the Initial Senior Lien Obligations, an initial series of Senior

Subordinate Lien Obligations and permits the issuance of Additional Senior Lien Obligations and other Subordinate Lien Obligations; reserves the right to issue Special Revenue Bonds; and prescribes other matters and the general rights of the Holders, DART, Credit Providers, any Bondholder Representative and the Trustee in relation to such Obligations. The provisions of the Master Debt Resolution constitute a contract of DART to and with the Holders and the Trustee.

Confirmation and Levy of Sales Tax {Section 2.2}

The levy and collection of the Sales Tax, at the rate voted at the election at which DART was created, is confirmed, and DART covenants that, as long as any Obligations are Outstanding, or any Administrative Expenses unpaid, it will levy and collect the Sales Tax to the extent it may legally do so at the highest rate permitted by Applicable Law, subject to requirements for an election under the Voted Tax and Debt Limits, and to take all action permitted to cause the Sales Tax to be collected and remitted to DART at the earliest permissible date.

Pledge and Security for Obligations {Section 2.3}

The Pledged Revenues are irrevocably pledged: (i) first, with respect to Outstanding Senior Lien Obligations, to the payment of Debt Service, to the maintenance of any reserve funds or accounts, and to the payment of Administrative Expenses; (ii) second, subject to the rights of the Holders of Senior Lien Obligations and the payment of related Administrative Expenses, with respect to Outstanding Senior Subordinate Lien Obligations, to the payment of Debt Service, to the maintenance of any reserve funds or accounts, and to the payment of Administrative Expenses; and (iii) third, subject to the rights of the Holders of Senior Lien Obligations and the Holders of Senior Subordinate Lien Obligations and the payment of related Administrative Expenses, with respect to Outstanding Junior Subordinate Lien Obligations, to the payment of Debt Service, to the maintenance of any reserve funds or accounts and to the payment of Administrative Expenses. Notwithstanding the pledge of Pledged Revenues to the payment of Bond Obligations, Federal Interest Subsidy payments are not security for nor may such amounts be used to pay principal of or interest on the TIFIA Bond.

All moneys and investments on deposit in the Senior Lien Debt Service Fund, the Senior Subordinate Lien Debt Service Fund and the Junior Subordinate Lien Debt Service Fund are irrevocably pledged to the payment of Debt Service on and Administrative Expenses with respect to the Senior Lien Obligations, the Senior Subordinate Lien Obligations and the Junior Subordinate Lien Obligations, respectively.

The Obligations and Administrative Expenses are special obligations of DART, and, unless otherwise provided in a Supplemental Resolution, are secured solely by a pledge of and a lien on the Pledged Revenues and the money on deposit, respectively, in the Senior Lien Debt Service Fund, the Senior Subordinate Lien Debt Service Fund and the Junior Subordinate Lien Debt Service Fund, that is exclusive, senior and superior to the rights of all other creditors of DART. Neither the Obligations nor the Administrative Expenses shall constitute a debt or obligation of the State, or of any city, town or county having appointment or other powers with respect to DART or the Board. The Holders of Obligations and payees of Administrative Expenses shall never have the right to demand payment out of any funds raised or to be raised by any system of ad valorem taxation or, unless otherwise provided in a Supplemental Resolution, from any other funds or revenues of DART.

Collection of Pledged Revenues, Assignment to Trustee {Section 2.4}

DART assigns to the Trustee all of the Pledged Revenues, in trust, for the benefit and security of Holders and the Credit Providers. DART appoints the Trustee as its agent and attorney-in-fact for the purpose of performing those duties of its treasurer which consist of collecting and receiving the Gross Sales Tax Revenues from the Comptroller and taking such steps as may be necessary to perfect and maintain the liens granted under the Master Debt Resolution. DART is required to cause the Comptroller to pay all Gross Sales Tax Revenues directly to the Trustee for deposit to the Gross Sales Tax Revenue Fund. If the Comptroller refuses or is not legally obligated to make transfers as directed by DART, the DART is required to cause the Gross Sales Tax Revenues to be transferred to the Trustee as received. All Gross Sales Tax Revenues received by the Trustee are required to be deposited to the Gross Sales Tax Revenue Fund and applied in accordance with the Master Debt Resolution. A specific series of Bond Obligations may be additionally payable from or secured by Credit Agreements and any Supplemental Resolution may provide that the security provided thereby not extend to other series of Obligations.

Security Agreement {Section 2.5}

The Master Debt Resolution constitutes a security agreement with the Trustee as the secured party. The grants, assignments, liens, pledges and security interests of the Trustee created in the Master Debt Resolution shall become effective upon the delivery of Obligations under the Master Debt Resolution, and shall be continuously effective for so long as any Obligations or Administrative Expenses are Outstanding.

PERMITTED DART INDEBTEDNESS*{Article III}****Initial Senior Lien Obligations {Section 3.1}***

The Master Debt Resolution authorizes DART to issue up to \$500 Million of Initial Senior Lien Obligations, which amount may be increased, pursuant to the terms of one or more Supplemental Resolutions. DART may issue Additional Senior Lien Obligations upon compliance with the requirements set forth in the Master Debt Resolution. No obligations having a first lien on the Pledged Revenues, other than Senior Lien Obligations, may be issued by DART.

Additional Senior Lien Obligations {Section 3.2}

Subject to the Voted Tax and Debt Limits, DART reserves the right to issue Additional Senior Lien Obligations on a parity with Outstanding Senior Lien Obligations, pursuant to one or more Supplemental Resolutions. Prior to the issuance of Additional Senior Lien Obligations, either (A) Gross Sales Tax Revenues must be estimated to be, for each of the three consecutive Fiscal Years beginning with the First Fiscal Year in which Debt Service with respect to the proposed Additional Senior Lien Obligations is due, equal to at least 200% of the Debt Service that will be due on Senior Lien Obligations (exclusive of amounts payable on Credit Agreement Obligations) during each of such 3 consecutive Fiscal Years after taking into consideration any additional Debt Service to be paid during such period with respect to the Additional Senior Lien Obligations (exclusive of amounts payable on Credit Agreement Obligations) then proposed to be issued and any reduction in Debt Service that may result from the issuance thereof, determined in accordance with the requirements of the Master Debt Resolution; or (B) for either the most recent complete Fiscal Year, or for any consecutive 12 of the most recent 18 months, the Gross Sales Tax Revenues must have been equal to at least 200% of the maximum Debt Service with respect to all Outstanding Senior Lien Obligations (exclusive of amounts payable on Credit Agreement Obligations) including maximum Debt Service on the proposed Additional Senior Lien Obligations (exclusive of amounts payable on Credit Agreement Obligations) then proposed to be issued, determined in accordance with the requirements of the Master Debt Resolution, provided however, this requirement does not apply to the issuance of Interim Obligations. In addition, estimated Gross Sales Tax Revenues for each of the 3 consecutive Fiscal Years beginning with the first Fiscal Year in which Debt Service on the proposed Additional Senior Lien Obligations is due must equal at least (A) 100% (or such higher percentage required by a Supplemental Resolution) of the Debt Service on Senior Lien Obligations (exclusive of amounts payable on Credit Agreement Obligations) plus (B) 100% (or such higher percentage required by a Supplemental Resolution) of the Debt Service on Outstanding Subordinate Lien Obligations (exclusive of amounts payable on Credit Agreement Obligations) during each of such 3 consecutive Fiscal Years, determined in accordance with the requirements of the Master Debt Resolution. The Debt Service required to be calculated for a particular series of Obligations shall be calculated net of amounts payable to DART from or by the State or the United States for, on account of, or in reimbursement for the payment of principal and interest on such Obligations, if such amounts are, at the time of calculation, required to be deposited to the debt service fund for such Obligations.

The Debt Service required to be calculated for a particular series of Obligations under subsections (iii) and (iv) of Section 3.2(b) of the Master Debt Resolution shall be calculated net of amounts payable to DART from or by the State or the United States for, on account of, or in reimbursement for the payment of principal and interest on such Obligations (the “Federal Interest Subsidiary” payments).

Senior Subordinate Lien Obligations {Section 3.3}

The Master Debt Resolution authorizes DART to issue up to \$650 Million of commercial paper notes as Senior Subordinate Lien Obligations pursuant to the terms of one or more Supplemental Resolutions for the purposes of refunding all outstanding indebtedness of DART, paying Costs of Acquisition and Construction, and other purposes permitted by Applicable Law.

Additional Senior Subordinate Lien Obligations. Subject to the limitations and requirements set forth in the Master Debt Resolution, DART reserves the right to issue additional Senior Subordinate Lien Obligations pursuant to one or more Supplemental Resolutions for any purpose permitted by Applicable Law secured by and payable from a senior subordinate pledge of the Pledged Revenues and, at the option of DART, a pledge of Special Revenues. Additional Senior Subordinate Lien Obligations may only be issued if estimated Gross Sales Tax Revenues for each of the three consecutive Fiscal Years beginning with the first Fiscal Year in which Debt Service is due on the proposed Senior Subordinate Lien Obligations, plus the amount of the Special Revenues, if any, that are projected to be available and pledged to the Senior Subordinate Lien Obligations, are equal to at least (A) 100% (or such higher percentage required by a Supplemental Resolution) of the Debt Service on Senior Subordinate Lien Obligations (exclusive of amounts payable on Credit Agreement Obligations), plus (B) 100% of the Debt Service on all Outstanding Senior Lien Obligations and Junior Subordinate Lien Obligations (exclusive of amounts payable on Credit Agreement Obligations), in each case during each of such three consecutive Fiscal Years, computed as required under the Master Debt Resolution.

Junior Subordinate Lien Obligations {Section 3.4}

Subject to the limitations and requirements set forth in the Master Debt Resolution, DART reserves the right to issue Junior Subordinate Lien Obligations pursuant to one or more Supplemental Resolutions for any purpose permitted by Applicable Law, payable from and secured by a junior subordinate pledge of the Pledged Revenues and, at the option of DART, a pledge of Special Revenues. Junior Subordinate Lien Obligations may only be issued if estimated Gross Sales Tax Revenues for each of 3 consecutive Fiscal Years beginning with the first Fiscal Year in which Debt Service is due on the proposed Junior Subordinate Lien Obligations, plus the amount of the Special Revenues, if any, that are projected to be available and pledged to the Junior Subordinate Lien Obligations, are equal to at least (A) 100% (or such higher percentage required by a Supplemental Resolution) of the Debt Service on Junior Subordinate Lien Obligations (exclusive of amounts payable on Credit Agreement Obligations), plus (B) 100% of the Debt Service on all Outstanding Senior Lien Obligations and Senior Subordinate Lien Obligations (exclusive of amounts payable on Credit Agreement Obligations), in each case during each of such three consecutive Fiscal Years, computed as required under the Master Debt Resolution.

Credit Agreement Obligations {Section 3.5}

DART is authorized to enter into Credit Agreements, pursuant to Supplemental Resolutions, that create Credit Agreement Obligations that are secured and payable on a parity with other Outstanding Obligations. Credit Agreements may include rights and remedies which are in addition to the rights and remedies contained in the Master Debt Resolution and which may be enforced apart from the Master Debt Resolution.

Special Revenue Bonds {Section 3.6}

DART reserves the right to issue Special Revenue Obligations and to enter into related credit agreements without complying with the requirements of the Master Debt Resolution regarding the issuance of Obligations.

Other Encumbrances Prohibited {Section 3.8}

Except for the Pledge of the Pledged Revenues as security for the Obligations and Administrative Expenses in the order of priority established in Article II of the Master Debt Resolution, the Pledged Revenues may not be pledged or encumbered to or for the payment of any other obligation or liability of DART.

TERMS, PROVISIONS AND AUTHENTICATION OF BOND OBLIGATIONS

{Article IV}

Bond Obligations may be issued in any form and manner permitted by Applicable Law, subject to the provisions of the Master Debt Resolution and any applicable Supplemental Resolution. Bond Obligations are to be issued pursuant to a Supplemental Resolution setting forth all of the terms, provisions and conditions pertaining to such Bond Obligations.

SPECIAL FUNDS, USES OF MONEYS

{Article V}

Creation of Funds and Accounts {Section 5.1}

The Master Debt Resolution establishes the System Expansion and Acquisition Fund, the Senior Lien Debt Service Fund, consisting of an Interest Account and a Principal Installment Account; the Senior Subordinate Lien Debt Service Fund, consisting of an Interest Account and a Principal Installment Account; and the Junior Subordinate Lien Debt Service Fund, consisting of an Interest Account and a Principal Installment Account. The Master Debt Resolution reestablishes and reconfirms the Gross Sales Tax Revenue Fund and the General Operating Fund.

The Gross Sales Tax Revenue Fund is a special trust fund held by the Trustee for the benefit of the Holders of the Obligations and the payees of Administrative Expenses. The Senior Lien Debt Service Fund, the Senior Subordinate Lien Debt Service Fund and the Junior Lien Debt Service Fund are special trust funds held by the Trustee for the benefit of the Holders of the Senior Lien Obligations, the Senior Subordinate Lien Obligations and the Junior Subordinate Lien Obligations, respectively, and the payees of Administrative Expenses.

The System Expansion and Acquisition Fund, the General Operating Fund and all other funds or accounts of DART not expressly required by the Master Debt Resolution or by a Supplemental Resolution to be held by the Trustee, may be held in any bank or lawful depository and said funds and accounts and all moneys on deposit therein, including the Available Remaining Revenues, shall be free of any lien, pledge or trust created by the Master Debt Resolution.

System Expansion and Acquisition Fund {Section 5.2}

Money on deposit in the System Expansion and Acquisition Fund is to be used to pay Costs of Acquisition and Construction and will be funded as directed in Supplemental Resolutions. In the event of a default in the payment of Obligations the Board may, but is not required to, use moneys on deposit in the System Expansion and Acquisition Fund to cure such default. Amounts remaining after payment of Costs of Acquisition and Construction for which a series of Obligations was issued may, at the discretion of DART, be used to redeem such Obligations in advance of maturity or used to pay other Costs of Acquisition and Construction.

Gross Sales Tax Revenue Fund {Section 5.3}

The Trustee is required to deposit to the Gross Sales Tax Revenue Fund all Gross Sales Tax Revenues (and no other moneys) as received and, on the day received, to transfer all amounts deposited to the Gross Sales Tax Revenue Fund, first, to the Senior Lien Debt Service Fund (for the Debt Service Accrual Period that begins on the date of such deposit) and any reserve fund pertaining to Senior Lien Obligations, the amounts required to be deposited therein, and to pay Administrative Expenses pertaining to Senior Lien Obligations; second, to the Senior Subordinate Lien Debt Service Fund (for the Debt Service Accrual Period that begins on the date of such deposit) and any reserve fund pertaining to Senior Subordinate Lien Obligations, the amounts required to be deposited therein, and to pay Administrative Expenses pertaining to Senior Subordinate Lien Obligations; and, third, to the Junior Subordinate Lien Debt Service Fund (for the Debt Service Accrual Period that begins on the date of such deposit) and any reserve fund pertaining to Junior Subordinate Lien Obligations, the amounts required to be deposited therein, and to pay Administrative Expenses pertaining to Junior Subordinate Lien Obligations. The amounts required to be deposited to each of the Senior Lien Debt Service Fund, the Senior Subordinate Lien Debt

Service Fund and the Junior Subordinate Lien Debt Service Fund, respectively, is equal to the Accrued Aggregate Debt Service for the current Debt Service Accrual Period less any amounts required to be credited against the amounts transferred pursuant to Section 5.3(d) of the Master Debt Resolution, and are required to be allocated first to the respective Interest Account and then to the respective Principal Installment Account. If the amounts on deposit in the Gross Sales Tax Revenue Fund are not sufficient to make the full amount of a transfer or payment required to be made, the Trustee is required to transfer the amount to the fund or account where the deficiency occurs with the highest priority and is prohibited from making transfers to any fund or account with a lower priority. Any balance remaining in the Gross Sales Tax Revenue Fund after making the foregoing transfers and payments is to be deposited to the General Operating Fund.

The Trustee is required to notify each Paying Agent of the anticipated date of commencement of each Debt Service Accrual Period not less than 2 Business Days prior to the date the Trustee expects such Debt Service Accrual Period to begin. Each Paying Agent is required to certify to the Trustee the amount of Accrued Aggregate Debt Service for Obligations for the Debt Service Accrual Period specified by the Trustee which has not been paid from other sources.

Senior Lien Debt Service Fund, Senior Subordinate Lien Debt Service Fund and Junior Subordinate Lien Debt Service Fund {Sections 5.4, 5.5 and 5.6}

The Trustee is required to pay from the Senior Lien Debt Service Fund, the Senior Subordinate Lien Debt Service Fund and the Junior Subordinate Lien Debt Service Fund, respectively, to the respective Paying Agents and Credit Providers for Outstanding Senior Lien Obligations, Outstanding Senior Subordinate Lien Obligations and Outstanding Junior Subordinate Lien Obligations, respectively, the amounts required to pay Debt Service on such Obligations when due, whether at the stated maturity or prior redemption; provided, however, that if less than the total amount required to pay such Obligations is on deposit in the Senior Subordinate Lien Debt Service Fund, the Senior Subordinate Lien Debt Service Fund or the Junior Subordinate Lien Debt Service Fund, respectively, Trustee is required to allocate to each Paying Agent and each Credit Provider, in order of priority, pro rata in proportion to the respective unpaid amounts.

If an Event of Default has occurred and is continuing, moneys in such funds are required to be applied as provided in Section 7.4 of the Master Debt Resolution.

General Provisions Applicable to Payments on Obligations {Section 5.7}

If a payment date is not a Business Day, then such payment date will be deemed to be the next succeeding Business Day of the Trustee or Paying Agent, as the case may be, and no interest will accrue between the stated day and the applicable succeeding Business Day.

Uses of General Operating Fund and of Available Remaining Revenues {Section 5.8}

Gross Sales Tax Revenues deposited in the General Operating Fund may be transferred to other funds and accounts of DART, free and clear of the lien of the Master Debt Resolution, and may be used for any purpose permitted or required by Applicable Law. In addition to contractual and other obligations incurred in the ordinary course of its business, DART may incur obligations payable from or secured by the Available Remaining Revenues.

Investment of Trust Funds and Accounts {Section 5.9}

Amounts in funds and accounts held by the Trustee may, to the extent permitted by Applicable Law, be invested in Investment Securities upon written instructions of DART. Investment Securities must mature in such amounts and at such times as is necessary to provide for timely payment from such fund or account. Investment Securities may be exchanged among funds and accounts, if required to meet payment obligations, and the Trustee may cause the liquidation prior to their maturities of Investment Securities; the Trustee is not to be liable for any resulting loss or penalty. Generally, Investment Securities and the earnings or losses thereon are part of the fund or account from which they were purchased except that transfers of earnings may be made in order to avoid investment in any manner that would cause any of the Obligations intended to be tax-exempt to be or become “arbitrage bonds”

within the meaning of the Code. Investments are required to be valued at least annually at the lower of original cost or the then market value thereof.

Effect of Deposits With Paying Agents {Section 5.10}

Upon the deposit with the applicable Paying Agent of moneys sufficient to pay the amounts due on Obligations, DART is released from further obligation with respect to the payment of such amounts or interest thereon and such Obligations will no longer be Outstanding. Moneys deposited with Paying Agents are held uninvested in trust for the benefit of the Holders or payees of such Obligations. Unclaimed moneys are required to be distributed in accordance with any applicable escheat laws.

Arbitrage {Section 5.11}

DART covenants that it will take no action or fail to take any action which would cause any Tax-Exempt Obligations to be “arbitrage bonds” within the meaning of the Code.

Deposits of Special Revenues {Section 5.12}

Special Revenues may be deposited to such funds and accounts of DART as may be required by Applicable Law, grant condition or contract, or as directed in the documents relating to the issuance of Special Revenue Bonds or to Subordinate Lien Obligations if Special Revenues are pledged to the payment thereof.

GENERAL COVENANTS AND REPRESENTATIONS

{Article VI}

Representations as to Pledged Revenues {Section 6.1}

DART represents and warrants that it is authorized to issue the Obligations, to adopt the Master Debt Resolution and to pledge the Pledged Revenues as provided in the Master Debt Resolution, and that the Pledged Revenues are and will remain free and clear of any pledge, lien, charge or encumbrance except as expressly permitted by Article II of the Master Debt Resolution. The Obligations and provisions of the Master Debt Resolution are valid and legally enforceable obligations of DART in accordance with their terms, subject only to any applicable bankruptcy or insolvency laws or to any Applicable Law affecting creditors’ rights generally. DART and the Trustee will defend, preserve and protect the pledge of the Pledged Revenues and all of the rights of the Holders against all claims and will take appropriate steps for the collection of delinquencies in the collection of the Sales Tax.

Accounts, Periodic Reports and Certificates {Section 6.2}

DART covenants to keep proper books of record and account relating to the System and the funds and accounts established by the Master Debt Resolution which will be subject to inspection by Holders of not less than 5% in principal amount of Bond Obligations, each Bondholder Representative and each Credit Provider. DART will provide annually, within 180 days after the close of each fiscal year, to any requesting Holder of at least 25% of a single series of Outstanding Obligations, a copy of an annual report containing certain financial information for the fiscal year just ended and the preceding fiscal year.

DART will notify the Trustee and each Credit Provider immediately if it becomes aware of the occurrence of any Event of Default or of any fact, condition or event that, with the giving of notice or passage of time or both, could become an Event of Default, or of the failure of DART to observe any of its undertakings under the Master Debt Resolution or under any Supplemental Resolution or Credit Agreement.

Withdrawals of Units of Election {Section 6.4}

If any “unit of election,” as defined in the Act, having once become a part of DART, withdraws from DART, the Board will take all lawful steps necessary to assure that all amounts due and owing on all Obligations

allocated to such unit of election will continue to be collected from within the withdrawing unit of election until such amounts are paid in full. Gross Sales Tax Revenues collected from within a withdrawn unit of election is required to be set aside by the Trustee in a special trust account and to be expended in such a manner as will permit the continued, timely payment when due of all amounts payable on Outstanding Obligations.

DEFAULTS AND REMEDIES

{Article VII}

Events of Default {Section 7.1}

Each of the following occurrences or events constitutes an “Event of Default” under the Master Debt Resolution:

(i) failure to timely pay any Debt Service on Bond Obligations;

(ii) failure to timely pay any Credit Agreement Obligations;

(iii) default by DART in the performance of any of the covenants, conditions, agreements and provisions contained in the Obligations or in any of the Outstanding Resolutions, the failure of which materially and adversely affects the rights of the Holders, and the continuation thereof for a period of 30 days after written notice of such default;

(iv) issuing of an order by the Bankruptcy Court or a United States District Court or other court having jurisdiction, granting DART, in an involuntary proceeding, any relief under any applicable law relating to bankruptcy or providing for the appointment of a receiver or other similar official for DART or any substantial part of its property, affairs or assets, and the continuance of any such order unstayed and in effect for a period of 90 consecutive days; or

(v) DART institutes or consents to the institution of insolvency or bankruptcy proceedings against it under any federal or state insolvency laws, or files or consents to the filing of any petition, application or complaint seeking the appointment of a receiver or other similar official for DART or of any substantial part of its property, affairs or assets.

Remedies for Default {Section 7.2}

Upon the happening and continuance of any of the Events of Default the Trustee is required to transfer future Gross Sales Tax Revenues in the order and priority set forth in Section 5.3(a) of the Master Debt Resolution as described above under “*SPECIAL FUNDS, USES OF MONEY—Gross Sales Tax Revenue Fund.*” Subject to certain restrictions on Holder’s actions set forth in Section 7.3 of the Master Debt Resolution, a Credit Provider, a Bondholder Representative and/or a trustee representing not less than 25% in principal amount of Outstanding Bond Obligations, may proceed against DART to protect and enforce the rights of the Holders. No Holder has the right to seek appointment of a receiver or administrator of the affairs and assets of DART. There is no right to accelerate the maturity of any Obligation under the Master Debt Resolution.

Thirty days after a default is cured DART will be restored to its former position under the Master Debt Resolution and any proceedings are required to be abandoned or dismissed.

Application of Revenues and Other Moneys After Default {Section 7.4}

During the continuance of an Event of Default, the Trustee shall apply all amounts on deposit in the Senior Lien Debt Service Fund, the Senior Subordinate Lien Debt Service Fund, and the Junior Subordinate Lien Debt Service Fund at the time of the default or deposited to such funds after the default, respectively, as follows: (i) to the

payment of Administrative Expenses with respect to the Senior Lien Obligations, the Senior Subordinate Lien Obligations, or the Junior Subordinate Lien Obligations, respectively, as applicable; and (ii) to the payment of Debt Service due on the Obligations, based on the foregoing priority and in the following order:

- Unless the principal of all applicable Outstanding Obligations is due, first, to the payment to the payment of interest then due in the order of maturity of such interest installments, and, if the amount available is not sufficient to pay all interest amounts then due, then to the payment of interest ratably, according to the amounts due on such installment, without any discrimination or preference; and second, to the payment of principal or redemption price then due, whether at maturity or by call for redemption, in the order of their due dates and, if the amount available is not sufficient to pay all of the applicable Obligations due on any date, then to the payment of principal or redemption price ratably, according to the amounts of principal due, without any discrimination or preference.
- If the principal of all of the applicable Outstanding Obligations is due, to the payment of the principal and interest then due and unpaid upon such Obligations without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any such Obligation over any other Obligation, ratably, according to the amounts due respectively for principal and interest, without any discrimination or preference.

Notice of Event of Default {Section 7.6}

The Trustee shall promptly give each Holder, by first class mail, notice of each Event of Default of which it has knowledge, unless such Event of Default has been remedied or cured before the giving of such notice, except in the case of an Event of Default specified in paragraph (i) or (ii) of “Events of Default” above, the Trustee may withhold such notice if it determines that the withholding of such notice is in the best interests of the Holders.

THE TRUSTEE
{Article VIII}

Amegy Bank N.A. is appointed as the Trustee under the Master Debt Resolution. The duties, rights and responsibilities of the Trustee, appointment of successor and co-trustees, and matters pertaining to the administration of the trust created in the Master Debt Resolution, are set forth in Article VIII.

AMENDMENTS TO RESOLUTION
{Article IX}

Supplemental Resolution Without Holders’ Consent {Section 9.2}

Subject to any limitations contained in a Supplemental Resolution or a Credit Agreement, DART may adopt Supplemental Resolutions without the consent of Holders of Obligations for the following purposes: (i) to cure any formal defect, omission or ambiguity in the Master Debt Resolution; (ii) to grant to the Trustee for the benefit of the Holders any additional rights, remedies, powers, authority or security; (iii) to add covenants and agreements of DART; (iv) to add limitations and restrictions to be observed by DART; (v) to confirm any pledge or lien of the Pledged Revenues or to subject to the lien or pledge of the Master Debt Resolution additional revenues, properties or collateral; (vi) to authorize the issuance and prescribe the terms of the Initial Senior Lien Obligations, Additional Senior Lien Obligations, Subordinate Lien Obligations, and Special Revenue Bonds, and to create such additional funds and accounts as may be necessary in connection with the issuance of such Obligations; (vii) to make modifications in the Master Debt Resolution or in a Supplemental Resolution that are necessary to comply with the requirements of federal tax or securities law or other Applicable Law and that do not materially adversely affect the rights and security of the Holders to be paid in full when due; or (viii) to make any other change to the Master Debt Resolution or any Supplemental Resolution that does not materially adversely affect the right of the Holders to be paid the full amounts due and payable on the Obligations when due.

Powers of Amendment {Section 9.3}

The Master Debt Resolution or any Supplemental Resolution and the rights and obligations of DART and of the Holders may be amended pursuant to a Supplemental Resolution with the written consent (i) of the Holders of a Required Percentage of Bond Obligations, or (ii) if less than all of the series of Obligations then Outstanding are affected by such amendment, of the Holders of a Required Percentage of the Bond Obligations so affected; provided, however, no amendment shall permit a change in the terms of payment of principal or redemption price of or interest of any Outstanding Bond Obligation without the consent of the Holder of such Obligation; and provided further that no such amendment may be made without the consent of such Credit Providers having the right of such consent.

Consent of Holders, Credit Providers or Bondholder Representatives {Section 9.4}

A Supplemental Resolution making amendments permitted by the Master Debt Resolution may take effect upon receipt of the required consents of the applicable Holders in accordance with the terms and provisions of the Master Debt Resolution. Any consent will be binding upon the Holder giving such consent and upon any subsequent Holder thereof unless such consent is revoked. DART will give notice of the effective date of any such Supplemental Resolution to the affected Holders. Unless such right is limited by a Supplemental Resolution, DART reserves the right to amend the Master Debt Resolution without the consent of or notice to the Holders of Bond Obligations if such amendment is approved by each Credit Provider and Bondholder Representative which is granted the right to give such consent by a Supplemental Resolution.

DISCHARGE OF RESOLUTION*{Article X}****Discharge by Payment {Section 10.1}***

The pledge and lien of the Outstanding Resolutions will be released when all Bond Obligations, Credit Agreement Obligations, and Administrative Expenses have been paid or provided for.

Discharge by Defeasance {Section 10.2}

DART may discharge its obligations to pay Debt Service on all or any portion of the Obligations and related Administrative Expenses, and thereby obtain a release of the pledge and lien of the Master Debt Resolution and any applicable Supplemental Resolution as to such Obligations, by depositing irrevocably with a trustee or escrow agent moneys which, together with earnings thereon from investment in "Government Securities," as verified by a nationally recognized firm of independent certified public accountants or accounting firm, will be sufficient to pay such amounts on such Obligations to maturity or prior redemption, in all cases in accordance with the terms and provisions set forth in the Master Debt Resolution.
