Approval to Increase Value for Design-Build Contract for the Silver Line Regional Rail Project to Establish an Allowance for Negotiation of Scope Changes

Committee-of-the-Whole
May 25, 2021

Todd Plesko
Interim EVP, Growth and Regional Development
Today’s Consideration

• Approval of a resolution authorizing the Interim President & Chief Executive Officer or his designee to increase the contract value for design-build services with Archer Western Herzog 4.0, Joint Venture, for the Silver Line Regional Rail Project to establish an allowance in the amount as defined in the resolution to provide for negotiation of each Owner requested or third party change request, where each change request will be negotiated separately.

• Establishment of a supplemental work contingency in the amount as defined in the resolution to be carried separately within the program budget for unanticipated expenses.

• This total request is for a new total Board-authorized not to exceed Design-Build contract budget amount as defined in the resolution.
Recommendation

• Approval of a resolution authorizing the Interim President & Chief Executive Officer or his designee to increase the contract value for design-build services with Archer Western Herzog 4.0, Joint Venture, for the Silver Line Regional Rail Project to establish an allowance in the amount as defined in the resolution to provide for negotiation of each Owner requested or third party change request, plus a supplemental work contingency in the amount as defined in the resolution for unanticipated expenses, for a total amount as defined in the resolution, and a new total Board-authorized not to exceed amount as defined in the resolution.
