D2 SUBWAY OPENING POSSIBILITIES

The D2 Subway will provide more flexibility and increase capacity to serve even more people, faster and easier. Advancing towards 20 percent design by March 2020, the project is well on its way to becoming a reality. See why we’re excited about this project!

**A sustainable option for the fast-paced growth of North Texas.**
Our region is expected to increase in population by more than 50 percent by 2045. The D2 Subway will expand our capacity to serve more people.

**A better way to connect the entire transportation network.**
The D2 Subway is one part of a larger system and plan that seeks to provide the region with an integrated, multi-modal transit network.

**A conduit to opportunities for North Texans.**
Approximately 150,000 jobs are within a ¼ mile of the D2 Subway’s stations, which provides accessible work opportunities to North Texans and opens a diverse talent pool to employers.
